Re: NPDES Application No. NH0001473

Dear Mr. Legacy:

Enclosed is your final National Pollutant Discharge Elimination System (NPDES) permit issued pursuant to the referenced application. The Environmental Permit Regulations, at 40 C.F.R. §124.15 Fed. Reg. 14271 (April 1, 1983), require this permit to become effective on the date specified in the permit.

Also enclosed is a copy of the Agency's response to the comments received on the draft permit and information relative to hearing requests and stays of NPDES permits.

We appreciate your cooperation throughout the development of this permit. Should you have any questions concerning the permit, feel free to contact Nicholas Prodany of my staff at 617-565-3587.

Sincerely,

Edward K. McSweeney, Chief
 Wastewater Management Branch
