Dear Ms. Giordano:

The Department of Environmental Services, Water Division, Wastewater Engineering Bureau (DES) has reviewed the actions taken by PSNH personnel in response to the July 26, 2007 NPDES CEI. Based on PSNH's September 21 and December 10, 2007 responses DES determined that PSNH has resolved the issues in a manner consistent with Water Division regulations and NPDES permit requirements.

Please be advised that DES will continue to monitor PSNH's compliance status, and that this letter does not provide relief against any existing or future violations.

If you have any questions regarding this matter, please contact me at (603) 271-1493. Thank you for your cooperation.

Sincerely,

Stephanie Larson  
Environmental Inspector  
Wastewater Engineering Bureau
