Yup, digging out from holiday backlog and just got to this email. I've asked Linda to start her review, only 21 pages so shouldn't be too bad.

Happy New Year to you also Sharon. I'll be in touch when I get feedback from Linda, Allan.

Hi Allan,
Would you please provide a redacted copy of the August 19, 2013 Report entitled "Response to EPA's Information Request for NPDES Permit Re-Issuance, PSNH Schiller Station, Portsmouth, New Hampshire" prepared by Enercon Services?
Much Appreciated.
