**BRP WM 08A NPDES Stormwater General Permit**

**Notice of Intent for Discharges from Small Municipal Separate Storm Sewer Systems (MS4s)**

1097

Transmittal Number

Facility ID (if known)

**A. Instructions**

**Important:**  
When filling out forms on the computer, use only the tab key to move your cursor - do not use the return key.

Submission of this Notice of Intent constitutes notice that the entity named at item B1. of this form intends to be authorized by the DEP General Permit issued jointly with EPA for stormwater discharges from the small municipal separate storm sewer system (MS4), in the location identified at item B2. of this form. Submission of the Notice of Intent also constitutes notice that the party identified at item B1. has read, understands and meets the eligibility conditions of Part I.B. of the NPDES Small MS4 General Permit, agrees to comply with all applicable terms and conditions of the NPDES Small MS4 General Permit, and understands that continued authorization to discharge is contingent on maintaining eligibility for coverage. **In order to be granted coverage, all information required on BRP WM 08A, including the Stormwater Management Program Summary and Time Frames form, must be completed. Please read the permit and make sure you comply with all requirements, including the requirement to develop and implement a stormwater management program.**

**B. Applicant Information**

1. Small MS4 Operator/Owner Information:

Town of Bridgewater Highway Department  
Name

151 High Street  
Mailing Address

Bridgewater  
City/Town

MA 02324  
State

508-697-0931  
Telephone Number

Email (if available)

2. Municipality Name

Town of Bridgewater  
City/Town

3. Legal Status:

Federal       City/Town       State       Tribal       Private

Other public entity: Town  
Specify Public Entity

4. Other regulated MS4(s) within municipal boundaries:

Bridgewater State College      Mass Correctional Institute at Bridgewater

5. Based on the instructions provided in Part I of the NPDES Small MS4 General Permit, have the eligibility criteria for "listed species" and critical habitat been met?
