RE: Annual Report

Dear Ms. Murphy:

Enclosed is our Small Municipal Separate Storm Water Sewer System General Permit for 2005. According to the Chairman of our Stormwater Committee, this report was submitted twice last year. He also informed me that the 2006 report will be completed within the next week and will be sent to you at that time. Should you have any questions, please feel free to email me at [selectmen@hampden.org](mailto:selectmen@hampden.org) or call me at 413.566.2151. Thank you.

Sincerely,

  
Pamela B. Courtney  
Administrative Assistant

## **Part II. Self-Assessment**

### **REPORT OF THE STORMWATER COMMITTEE**

In March of 2003, the Town of Hampden submitted a Notice of Intent and a five year Stormwater Management Program as required by the U.S. Environmental Protection Agency (EPA). The Program consists of various tasks and timelines which address 6 Minimum Controls as outlined by the EPA. One such task, delineated under the Planning Board's responsibility, was the formation of a Stormwater Committee.

News articles requesting volunteers appeared in local papers in July and a Committee was formed in September. The nine member committee consists of members from the Board of Selectmen, Highway Department, Planning Board, School Department, and Citizens of Hampden. Our goal is to protect our natural resources by overseeing the implementation of the Stormwater Program in an efficient and economic manner.

The Committee has been very productive in the past several months and as a result, has completed many of the tasks delineated in Notice of intent. Some of those tasks include: setting up an educational display, sending out educational information to residents, placing stormwater links on the Town Website, stenciling storm drains, compiling existing outfall information.

I would like to take this opportunity to thank the Committee and Community volunteers for their valuable time, effort and dedication which will make this program a success.

Respectfully submitted

Joseph P. Kruzal, Chairman

**Part III. Summary of Minimum Control Measures**

**1. Public Education and Outreach**

<b>BMP ID #</b>	<b>BMP Description</b>	<b>Responsible Dept./Person Name</b>	<b>Measurable Goal(s)</b>	<b>Progress on Goal(s) – Permit Year 2</b> (Reliance on non-municipal partners indicated, if any)	<b>Planned Activities – Permit Year 3</b>
1A	Educational Displays	Board of Health (Stormwater Committee)	One display at municipal building per year. Year 1-5	Posted large poster received from EPA in town hall.	Change poster in town hall annually
Revised					
1B	Educational Pamphlets	Board of Health (Stormwater committee)	One town-wide mailing per year. Year 1-5	Mailed one page article “Clean Water is Everyon’s Business” within a town wide mailing December 2004 issue.	Continue to educate the public by mailing
Revised					
1C	Classroom Education	School Department	One Stormwater topic per year minimum (4 <sup>th</sup> through 6 <sup>th</sup> grade) Year 1-5	Taught curriculum for grades 6, 7, and 8 topics included Water Erosion and Water Quality Monitoring.	Continue to teach Stormwater topics through year 5 and modify as necessary.
Revised			Changed grades to 6 <sup>th</sup> through 8th		
1D	Community Website & Hotline	Board of Selectman	Post information and link to DEP Website	Posted Stormwater Committee information on Town Website. Updated website.	Update web page annually.
Revised					
1E	Hazardous Waste Collection Day	Board of Health	Publicize and support annual 5 town collection event.	Published press release on September 2, 2004 for Hazardous Waste Collection day which was held on September 11, 2004.	Continue to support a hazardous waste collection day.
Revised					
Revised					

**1a. Additions**

## 2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 2 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 3
2A	Adopt a Road	Board of Health/DPW	Support Annual pickup of urban area roads, year 1-5	Adopt –a –Road program held successful cleanup days on May 15 <sup>th</sup> 2004.	Continue Adopt -a-Road program
Revised					
2B	Storm Drain Stenciling	DPW	Form program, Target 10% of Town's catch basins annually, year 1-5.	Stenciled over 10% of catch basins in urbanized area to read "NO DUMPING" with the assistance of local Eagle Scouts.	Scheduled additional catch basin stenciling for 2005.
Revised					
2C	Stormwater Committee	Planning Board	Initiate and set agenda year 1. Administer SMP year 2-5	The Hampden Stormwater Committee met throughout the year to administer the SMP and related stormwater issues.	Continue to develop and administer the Town's SMP and monitor stormwater related activities.
Revised					
2D	Attitude Survey	Planning Board	1 <sup>st</sup> survey to set baseline year 2. 2 <sup>nd</sup> survey to measure progress and awareness in year 5.	Developed and mailed survey to town residents. Surveys were collected and filed for future review.	The Stormwater Committee will compile and review results of survey.
Revised

### 3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year2 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 3
3A	Mapping Stormwater outfalls	DPW	Compile map year 1. Field inspect /verify 25% of outfalls annually year 2-5.	With the assistance of local Eagle Scouts, all catch basins were verified and a detailed report with photographs, condition, size and type was compiled.	Continue field verification of outfalls and correct map as needed.
Revised					
3B	DPW Employee Education	DPW	Training under BMP #6C year 1 to recognize Illicit discharges. Annual refresher years 2-5.	DPW employees were trained on illicit discharges, common signs of contamination in catch basins and actions to follow if such contaminants are found.	Annual refresher and expanded training as necessary.
Revised					
3C	Non-Stormwater discharge ordinance.	Board of Health/Planning Board	Evaluate existing procedures Year 1	Developed a general by-law prohibiting non-stormwater and illicit discharges. The proposed by-law to be presented at Town Meeting for a vote.	If approved at town meeting, by-law will be implemented and monitored. If not approved the Stormwater Committee will revise as needed for next Town Meeting.
Revised					
3D	Develop Illicit Discharge Plan	Board of Selectman	Evaluate and draft year 1. Propose for adoption year 2. Implement year 3-5.	Evaluated existing bylaws regarding discharges to Stormwater system.	Draft and propose illicit discharge plan.
Revised					
Revised

#### 4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 2 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 3
4A	Construction Runoff Ordinance	Planning Board	Evaluate Existing Regulations year 1. Draft revisions year 2. Propose for adoption year 3. Enforce year 3-5.	Reviewed Zoning, Subdivision, Wetlands, and General Bylaws as they apply to construction runoff, sedimentation and erosion.	Draft revision to existing bylaws for review and comment by town departments.
Revised					
4B	Construction Plan Review	Planning Board	Enforce under existing Town regulations year 1 and 2. Enforce under adopted bylaw year 3-5.	Planning Board reviewing construction plans under existing regulations.	Continue to review construction under existing regulations.
Revised					
4C	Inspection /Reporting	Building Inspector	Enforce under existing Town regulations year 1 and 2. Enforce under adopted bylaw year 3-5.	Continuing inspection and reporting under current bylaws.	Continuing inspection and reporting under current bylaws. Revise upon adoption of new construction runoff bylaw.
Revised					
4D	Building Permit Application	Building Inspector	Enforce under existing Town regulations year 1 and 2. Enforce under adopted bylaw year 3-5.	Continuing to issue building permits under current bylaws.	Continuing to issue building permits under current bylaws. Revise upon adoption of new construction bylaw.
Revised
