**Printed Name:** John J. Carroll

**Title:** General Manager

**Date:** 5.02.05

## Part II. Self-Assessment

Attending the various talks held by Thelma Murphy, EPA - Regional Storm Water Coordinator, during the past permit year has been helpful in understanding the EPA requirements and Town's responsibilities during this Permit process.

### Public Education and Outreach – Public Involvement and Participation

In addition to the BMP's outlined in the Town of Norwood's NOI there are numerous events throughout the year where providing information and raising awareness is a major element. The Recreation Department's Earth Day works with the students of each school in Town to cleanup schools, parks, conservation lands and other Town owned properties. Information and assistance is provided from Waste Management with support from local businesses. There is an ongoing program of Student Community Services Hours where similar work is provided. The Recreation Department also works with the local Boys and Girls Scouts clearing pathways along Hawes Brook

Departments within the Town Hall have a community bulletin board where information is posted and made available to the general public. The Conservation Commission and The Board of Health regularly post and update information as applicable. Information concerning compost bins, fertilizer application, leaf and yard waste pick-up, hazardous waste storage and disposal is always available.

### 2F – Create Stormwater Committee

The Engineering Department has been responsible for the NPDES General Permit and has conducted meetings with various department heads concerning stormwater discharge and the implementation of Best Management Practices (BMP's).

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) - Permit Year 2 (Reliance on non-municipal partners indicated, if any)	Planned Activities - Permit Year 3
1A Revised	Recycling & Rubbish Web Page	Manager's Office	Dates and information updated as needed.	Continue to update and host web page on Town of Norwood site.	Continue to update and host web page on Town of Norwood site.
1B Revised	Automatic Meter Reading (AMR)	Manager's Office	Town wide metering completed.	Town will monitor abnormal water usage through billing cycles.	Continue to monitor the water usage of customers.
1C Revised	Recycling & Rubbish Flyers	Manager's Office	12,000 flyers mailed - April 16,000 flyers inserted in Light Dept. bill - Sept.	Continue Town wide notification of recycling/rubbish dates and general information.	Continue Town wide notification of recycling/rubbish dates and general information.
