Part II. Self-Assessment

The Town of Wenham has completed the self-assessment and has determined that our municipality is in compliance with the second year permit with the exception of storm drain stenciling, which was started but is incomplete and review of BMP's for use in developments. The Town of Wenham is still in the process of stenciling catch basins and review of BMP's. The Town of Wenham is continuing the mapping of the drains and outfalls utilizing GIS/GPS technology (Weston & Sampson Engineering) which was originally scheduled to begin in year three of the permit.
