Part II. Self-Assessment

The Town of Canton has completed its annual report as summarized below:

1. Public Education and Outreach
 - Mailed landscaping and watering tips as part of Spring water bills
 - Have prepared Stormwater release for CATV and website posting. Working on getting information out to the Public.
 - Held two organizational meetings with various Town Boards to form Storm Water Committee.
2. Public Involvement and Participation
 - Board of Selectmen and Public Works are working with Conservation Commission to form Storm Water Committee and to recruit members
 - Need to develop firm timetable and establish goals to complete organizing committee
3. Illicit Discharge Detection and Elimination
 - DPW and Town Engineer have begun requiring drainage connection permits for private homes.
 - Have begun drainage and grading plan reviews of subdivisions submitted to Planning Board.
 - Have formed Technical Committee to begin discussions on stormwater program.
4. Construction Site Stormwater Runoff Control
 - Conservation Commission held Fall workshop for Contractors, Developers, Engineers, and Town Agencies to explain Erosion/Sediment control By-Law
 - Requiring ConCom permit for any project disturbing 10,000 s.f. or more
5. Post Construction Stormwater Management
 - Have permitting requirements in place, need to develop inspection, final acceptance, and post construction procedures.
6. Good Housekeeping in Municipal Operations
 - Continued working on catch basin clearing, street sweeping, and re-use as part of permit Bump's
7. BMP's for Meeting TMDL
 - Made little progress during year.
 - Have made some on-site inspections of current building projects and identified their discharge problems.
