Part II. Summary of Minimum Control Measures

I. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) - Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities - Permit Year 4
1-1 Revised	Article/brochure about stormwater in the annual Consumer Confidence Report	Engineering Dept.	Article(s) published in the CCR annually for distribution to all residents	Article in the report issued June 2005 (Report 2004 Water Quality Report)	Publish article annually in Salem Beverly Water Supply Board - Water Quality Report
1-2 Revised	Stormwater education program for school children	Engineering Dept.	Integration of stormwater to school science, curriculum or ECO club	Presented Beverly's Stormwater Plans at Beverly High School, Landmark School and Shore Country Day.	Continue presentation to complement Earth Science Projects.
1-3 Revised	Public Education and protection	Health Dept.	Beach sampling results available to public years 1-5	Beach test results for summer 2005 posted on www.state.ma.us/dph . A link to this site exists from www.beverlyma.gov . Test results also posted at library	Continue practice
1-4 Revised	Educate dog owners about picking up dog waste	Recreation Dept.	Fact sheet mailed with annual dog registration mailing	Fact sheet created, printed and mailed with dog license.	Beverly BARC group has requested participation in creating a new mailing. To explore and continue practice.
1-5 Revised	Install and maintain pet waste clean-up signs at parks	Recreation Dept.	Number of signs installed, number of signs inspected	Inventory of signs has been created. Posting new signs will be delayed until the new dog leash ordinance established.	Define language for signs after new leash ordinances adopted and prioritize location of new signs based on budget constraints.
1-6 Revised	Annual update of SWMP at a televised City Council Meeting	Engineering Dept.	Annual update of SWMP given years 3-5	Presentation to City Council October 3, 2005. Emphasis of presentation Erosion Control Ordinance and benefits to the public.	Continue practice of presenting an element of the Stormwater Program to the City Council and public.

Part II. Self-Assessment

The City of Beverly has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions. The Stormwater Planning Committee believes the BMP's remain appropriate for the community. In general, we believe we have made good progress relative to specific goals—refer to BMP summary for details.
