**Date:** 6/14/06

## **Part II. Self-Assessment**

**The Town of Easton has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions with the exception of our “Dry Weather Sampling” program because of staffing deficiencies. It is planned to hire outside assistance to plan and initiate our dry weather sampling program by the next reporting period.**

**Part III. Summary of Minimum Control Measures**

**1. Public Education and Outreach**

<b>BMP ID #</b>	<b>BMP Description</b>	<b>Responsible Dept./Person Name</b>	<b>Measurable Goal(s)</b>	<b>Progress on Goal(s) – Permit Year 3</b> (Reliance on non-municipal partners indicated, if any)	<b>Planned Activities – Permit Year 4</b>
1A Revised	Education Materials	Dept. of Public Works	Materials Posted and distributed	Posters and handouts “Stormwater and the Construction Industry”, “Critters Against Litter”, “Stormwater at Construction Sites”, “Does Your Construction Site Need a Stormwater Permit?” and “Stormwater at Construction Sites” were displayed and handouts offered at town offices.	Educational materials will continue to be obtained from the State and EPA for display and distribution to the Public periodically.
1B Revised	Coordination with Others	DPW Director	Meetings held with Others	Met with Board of Selectmen Chairman, Assistant Superintendent of Schools, and Water Superintendent on presenting awards for winning Stormwater Posters. Benefits of Stormwater Regulations on quality of drinking water were presented to the Public at the Water Division Open House. Stormwater issues were discussed with other Stormwater Managers at the “Workshop for Stormwater Phase II Communities” workshop sponsored by the Mass. Highway Dept.	Coordination with others will continue to be pursued.
1C Revised	Use of Media	Dept. of Public Works	Local media used to promote Storm Water Management Program.	The Easton Journal was used to promote the Water Division Open House and Household Hazardous Wastes Day. Cable television aired the Water Division Open House proceedings, and Easton’s Internet was used to display the winning bookmark poster designs on stormwater concerns.	The local media will continually be used to promote Easton’s Storm Water Management Program.
1D Revised	Citizen Watch Dog Group	Dept. of Public Works	Encourage Citizens to become “Watch Dogs”	No “Hot Line” calls were received from Citizens reporting any illegal dumping into our catch basins or streams during Year 3.	Any reports of illegal dumping into our catch basins or streams will be immediately investigated by the Stormwater Committee.

**2. Public Involvement and Participation**

<b>BMP ID #</b>	<b>BMP Description</b>	<b>Responsible Dept./Person Name</b>	<b>Measurable Goal(s)</b>	<b>Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)</b>	<b>Planned Activities – Permit Year 4</b>
2A	Public Hearings	Planning and Zoning Board	Public Hearings on Storm Water Management held.	No Public Hearings on Storm Water Management were scheduled for Permit Year 3.	None scheduled.
Revised					
2B	Local Interest Groups	Dept. of Public Works	Local interest groups contacted to support the Storm Water Management Program.	The Natural Resources Trust (NRT), Canoe River Aquifer Advisory Committee, School Committee, Boy Scouts, and Lions Club continued their support of the Storm Water Management Program.	Local Interest Groups will continue to be contacted to support Easton’s Storm Water Management Program.
Revised					
2C	Stream Cleanup Days	Dept. of Public Works	Stream Cleanup Days arranged.	A street clean-up program was initiated in Year 3 in lieu of a stream cleanup day. The Massachusetts Mosquito Control Office has been contacted to cleanup various stream locations in Easton in addition to normal DPW stream maintenance activities.	Volunteer groups will continue to be asked to participate in activities which will result in cleanup of our streams.
