**Date:** May 1, 2006

## **Part II. Self-Assessment**

**The Town of Hopedale has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions. The Town of Hopedale has successfully implemented or begun implementation of several Measurable Goals noted in its Notice of Intent. Prior to the development of Hopedale's Comprehensive Stormwater Management Program, including Measurable Goals, the Town had an assessment performed of current activities, programs, and regulations that could support the NPDES Phase II Stormwater program. This assessment became the basis for modifying current activities, recommending new programs, and informing town boards and departments of their obligation toward successful implementation of Hopedale's Comprehensive Stormwater Program.**

**Hopedale is pleased to present the following summary describing its success at implementing the second year of the town's Comprehensive Stormwater Management Program.**

**Part III. Summary of Minimum Control Measures**

**1. Public Education and Outreach**

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
1	Create a Stormwater Program	Department of Public Works Planning Board Conservation Commission Board of Health Board of Selectmen	Hopedale will present to the public at a public meeting Hopedale's draft Comprehensive Stormwater Management Program.	The Town of Hopedale has completed "Stormwater Management Phase II Assessment" report. Copies are available for review by town departments and the public.  Hopedale's proposed Comprehensive Stormwater Management Program was presented to the Board of Selectmen at a meeting on March 22, 2004.	No activity is planned for Permit Year 4.
2	Create a Stormwater Program	Department of Public Works	Hopedale will identify appropriate sources of funding assistance (SRF, 319 Grant Program, 604(b) Grant Program, Lakes & Ponds Grant Program, Source Water Protection Grant Program, Recycling Grant Program) and apply for assistance in implementing portions of Hopedale's Comprehensive Stormwater Management Program, including public education and outreach.	Hopedale applied for and was approved for an SRF loan for funding of the IDDE program.  Components of the program include: <ul style="list-style-type: none"> <li>o GIS Basemap,</li> <li>o Mapping entire stormwater system including tracing application and modeling,</li> <li>o Outfall inspection and inventory,</li> <li>o Bacterial sampling of outfalls,</li> <li>o Education on the hazards of illegal dumping, and</li> <li>o Bylaw review.</li> </ul> Annual Town Meeting approved participation in the SRF program, and the IDDE Program has been funded.	The stormwater IDDE program is currently in process.

**1. Public Education and Outreach (cont'd.)**

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
3	Address specific groups	Department of Public Works	Distribute EPA and other relevant educational brochures to targeted audiences. Distribution points include Town Hall, Library, and Transfer Station.	<p>The Town of Hopedale is in receipt of EPA educational materials on disk for easy printing and distribution.</p> <p>The Town Hall, library and recycling center has several educational brochures/informational resources including:</p> <ul style="list-style-type: none"> <li>- “Hopedale Recycling Information;”</li> <li>- Board of Health messages to the public regarding rubbish removal and recycling;</li> <li>- Recycling Center fees and hours;</li> <li>- A newsletter entitled, “www.blackstonedaily.com, The Blackstone Valley’s #1 online news and information service;”</li> <li>- “2002 Water Quality Report” by the Hopedale Water Department; and</li> <li>- “Mercury Recovery Program with the Hopedale Board of Health.”</li> </ul> <p>The Town Hall, library and recycling center have several box deposits for the following hazardous item programs:</p> <ul style="list-style-type: none"> <li>- “Button Cell Battery Recycling Program”;</li> <li>- “Recycle Your Household Nickel/ Cadmium Batteries (Ni-Cd) here!”, and</li> <li>- “You Can Make a Difference, In the Future of Your World, Recycle Ink Jet Cartridges.”</li> </ul> <p>The Town website includes a study report from the 6<sup>th</sup> grade at Hopedale Memorial Elementary School titled, “Is the Hopedale Pond Really Polluted?” This report presents the results of a series of tests by the class to determine whether the pond was polluted.</p>	Brochures will continue to be distributed and made available at town buildings.

**1. Public Education and Outreach (cont'd.)**

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
4	Target groups likely to impact storm water	Department of Public Works	<p>Brochures targeting specific audiences and activities will be available. These target groups include homeowner and lawn maintenance activities, disposal of household waste, and pet maintenance.</p> <p>Hopedale will post links to stormwater BMPs and other water quality education resources, including EPA and DEP on its website.  <a href="http://www.hopedale-ma.gov/Home/">http://www.hopedale-ma.gov/Home/</a></p>	See BMP #3. This information is available to all residents of the Town of Hopedale.	Brochures will continue to be distributed and made available to the public.
5	Identify alternative information sources	Department of Public Works MIS Department	<p>The Town of Hopedale has made a link to the DEP and EPA websites on the Town's website. The link is listed under the category, "Informational Links".</p> <p>The Parks Commission and local schools have contributed water quality information to the Town regarding Hopedale Pond. This information is available on the Town website, under the Parks Commission link.</p> <p>Updating the website has been identified as part of the IDDE program.</p> <p>The Town of Hopedale has created the link to the DEP and created a link to the EPA.</p>	<p>The Town of Hopedale will continue to sponsor this DEP and EPA links during Year 4.</p>	The Town of Hopedale will continue to sponsor this DEP and EPA links during Year 4.

**1. Public Education and Outreach (cont'd.)**

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
6	Identify alternative information sources	Department of Public Works MIS Department	Hopedale will also post links on its website to the Blackstone River Watershed Association @ <a href="http://www.thebrwa.org/">http://www.thebrwa.org/</a> , the Blackstone River Watershed Council @ <a href="http://www.bvtourism.com/">http://www.bvtourism.com/</a> , and the Charles River Watershed Association @ <a href="http://www.crwa.org/">http://www.crwa.org/</a>	The Town of Hopedale has made a link to the Lake Maspenock Preservation website on the Town's website. The link is listed under the category, "Informational Links".  The websites are listed along with several other storm water sites, except for the Blackstone River Watershed Council. The <a href="http://www.bvtourism.com/">www.bvtourism.com/</a> site could not be found during the writing of this report.	The Town of Hopedale will maintain the current "Informational Links" site and include the link to the Blackstone River Watershed Council listed in Measurable Goal 6.
7	Utilize local public access channel	Department of Public Works	Public meeting notice and the meeting reviewing Hopedale's Comprehensive Stormwater Management Program will be posted on Hopedale's local access channel.	Goal was completed in permit year 1. Y3: The next Town of Hopedale public meeting will include an article specific to the Phase II Stormwater program. Information regarding the public meeting will be advertised on local access and the newspaper.	The Town will investigate the use of the local access cable channel to update the stormwater program.
8	Develop, conduct and document educational programs	Department of Public Works TRW Liaison	The Town of Hopedale will appoint a liaison to the Blackstone River Watershed Association and the Charles River Watershed Association to disseminate information to the Town on programs and activities.	Goal was not completed in permit year 3.	Town of Hopedale will continue to look for a Blackstone River Watershed Association liaison.
Revisions				The Charles River Watershed Association is not active within the Town of Hopedale because the Town has its own water and sewer.	

**1. Public Education and Outreach (cont'd.)**

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
9	Promote Household Waste Recycling	Department of Public Works Board of Health	The Town of Hopedale will work with the Town's contracted waste hauler and the Board of Health to continue to sponsor Hazardous Waste Collection Days.	<p>The Town of Hopedale has publicized drop-off centers for the following hazardous item programs:</p> <ul style="list-style-type: none"> <li>- "Button Cell Battery Recycling Program";</li> <li>- "Recycle Your Household Nickel/Cadmium Batteries (Ni-Cd) here!"; and</li> <li>- "You Can Make a Difference, In the Future of Your World, Recycle Ink Jet Cartridges."</li> </ul> <p>The Town recycling program is mandatory. Town residents are issued verbal notice, and then written notice, followed by a fine for failure to comply with recycling guidelines. The Recycling Facility accepts bulk items; electronics; automobile batteries and motor oil; yard waste; paper; and recyclable containers.</p> <p>The Town holds 1 or 2 Hazardous Waste Collection Days per year.</p>	<p>The Town of Hopedale will continue to accept hazardous waste and recycling.</p> <p>The Town will attempt to identify funding assistance to support the collection of extremely hazardous materials.</p> <p>The next Hazardous Waste Day is scheduled for November 2006.</p>

## 2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
10	Storm drain stenciling	Department of Public Works	Hopedale will work with local Scout groups to develop a stenciling program. Stenciling will target Hopedale's subwatersheds.	The Town of Hopedale has met with the high school and other interested organizations. The stenciling project has not started yet.	The stenciling is a goal in the permit scheduled for year 2 but the stenciling of the storm drains has not happened yet. This is a goal for Hopedale in permit year 4.
11	Community clean-ups	Department of Public Works Hopedale Conservation Commission	Town of Hopedale will encourage local stream team cleanups with local residents and area Scout groups. Town will provide solicitation of sponsors and notice of events on local access channel and website.	The Town of Hopedale sponsors Earth Day Cleanups each year. The BOH and the DPW supplies 30 yard dumpsters for the cleanup teams to dispose of the waste. Clean up events are posted at the recycling center. Mass Mosquito cleaned the brooks and rivers in town.	The Town of Hopedale will work with the Parks Commission to establish a community clean up through the Scouts, the School, or another interested organization. The Boy Scouts will be conducting a clean up during April in Year 4.
12	Community clean-ups	Department of Public Works	Town will provide trucks and other material to support cleanup efforts and disposal of materials.	The Parks Commission provides rubbish removal for public parks. There are a few 30 yard dumpsters by the DPW that can be utilized for disposing of clean up waste.	The Parks Commission and the Town of Hopedale will assist organizations interested in community clean up.

### 3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
13	Inventory and mapping of storm drain system	Department of Public Works	<p>Hopedale will identify appropriate sources of funding assistance (SRF, 319 Grant Program, 604(b) Grant Program, Lakes &amp; Ponds Grant Program, Source Water Protection Grant Program, Recycling Grant Program) and apply for assistance in implementing portions of Hopedale's Comprehensive Stormwater Management Program, including public education and outreach.</p>	<p>Y1: The Board of Selectmen of the Town of Hopedale appropriated funding for many aspects of the Phase II Stormwater program.</p> <ul style="list-style-type: none"> <li>- March 8, 2004 the Board of Selectmen approved aerial photography to begin the IDDE mapping requirement.</li> <li>- Hopedale's Comprehensive Stormwater Management Program was presented to the Board of Selectmen at a meeting on March 22, 2004.</li> </ul> <p>Hopedale applied and was approved for an SRF loan for funding of the IDDE.</p> <p>Components of the program include:</p> <ul style="list-style-type: none"> <li>o GIS Basemap,</li> <li>o Mapping entire stormwater system including tracing application and modeling,</li> <li>o Outfall inspection and inventory,</li> <li>o Bacterial sampling of outfalls,</li> <li>o Education on the hazards of illegal dumping, and</li> <li>o Bylaw review.</li> </ul> <p>The Annual Town Meeting did approve the SRF funding and the project is now underway</p> <p>Aerial photography has been completed and ground control activities are underway.</p>	Complete Inventory and mapping of storm drain system.

### 3. Illicit Discharge Detection and Elimination (cont'd.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
14	Mapping and identification of outfalls and receiving waters	Department of Public Works Board of Assessors	Hopedale will develop and implement a plan to map all outfalls and receiving bodies of water, contingent on Town Meeting approval of funding.	These activities are underway. Aerial photography is complete and ground control activities are underway.	This BMP is ongoing and expected to be complete by the end of permit year 4.
15	Identification/description of problem areas	Department of Public Works	Hopedale will develop and implement an Illicit Discharge Detection and Elimination (IDDE) plan, contingent on Town Meeting approval of funding.	This BMP has been drafted and the Town is in receipt of several reports including Identification of Priority Areas, Identification of Potential Illicit Discharges, and Follow up on Dry Weather Flows.  The Town of Hopedale will review the requirements of the IDDE program with Town departments. Funding of the IDDE segment of the Phase II Stormwater Program is from the SRF funding program.	The IDDE plan is nearing completion.  No activity required for Permit Year 4.
16	Enforcement procedures addressing illicit discharges	Planning Board Town Counsel Board of Health	Hopedale will review whether local authority is appropriate and able to respond to potential illicit discharges. New by-laws, if necessary, will be proposed to Town Meeting.	As part of the SRF funded IDDE project, these bylaws are being reviewed and a draft report is ongoing.  A meeting of relevant Town Departments was held in March 05 to discuss enforcement bylaws.  Another meeting was held on June 1, 2005 to review the construction bylaws.	A meeting, with the town and its consultant, occurred in April 2006, during year 4, when the Town received model bylaws to be incorporated into the Town Bylaws.  The Town will make efforts to incorporate the model bylaws into the Town Bylaws during Year 4.

### 3. Illicit Discharge Detection and Elimination (cont'd.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
17	Public information program regarding hazardous wastes and dumping	Department of Public Works Board of Health	Hopedale will provide educational brochures to residents within the member communities promoting proper disposal of household hazardous wastes and conditions for regional collections.	<p>The Town of Hopedale has publicized drop-off centers for the following hazardous item programs:</p> <ul style="list-style-type: none"> <li>- "Button Cell Battery Recycling Program";</li> <li>- "Recycle Your Household Nickel/ Cadmium Batteries (Ni-Cd) here!"; and</li> <li>- "You Can Make a Difference, In the Future of Your World, Recycle Ink Jet Cartridges."</li> </ul> <p>The Town recycling program is mandatory. Town residents are issued verbal notice, and then written notice, followed by a fine for failure to comply with recycling guidelines. The Recycling facility accepts bulk items; electronics; automobile batteries and motor oil; yard waste; paper; and recyclable containers.</p>	The Town of Hopedale will continue to accept hazardous waste and recycling. The Town will attempt to identify funding assistance to support the collection of extremely hazardous materials.
18	Initiation of recycling programs	Department of Public Works Board of Health	Hopedale will apply for funding assistance from DEP's Recycling Grant Program for assistance in public education and the purchase of recycling materials.	<p>The Town recycling program is mandatory. Town residents are issued verbal notice, and then written notice, followed by a fine for failure to comply with recycling guidelines. The Recycling Facility accepts bulk items; electronics; automobile batteries and motor oil; yard waste; paper; and recyclable containers.</p> <p>The BOH applies for and receives this grant every year.</p>	The Town of Hopedale will continue to accept hazardous waste and recycling. The Town will attempt to identify funding assistance to support the collection of extremely hazardous materials.

### 3. Illicit Discharge Detection and Elimination (cont'd.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
19	Watershed assessments and studies	Department of Public Works Conservation Commission Board of Health	Hopedale will identify opportunities for funding assistance from DEP's 604(b) and 319 grant programs and the Department of Environmental Management's Lakes and Ponds Grant Program to support watershed assessment and implementation activities. Tasks can include design and installation of stormwater BMPs and public outreach including storm drain stenciling. Emphasis will be on assessments and remediation of stormwater related problems impacting water quality in Hopedale Pond, Milford Street Pond, Spindleville Pond and sections of the Mill River. These water bodies have been identified as impaired on the DEP's 303d list.	Hopedale has not identified an appropriate funding vehicle.	Hopedale will investigate resources for funding.
20	Watershed assessments and studies	Department of Public Works Water Department	The Town of Hopedale Water Department will apply for funding assistance from DEP's Source Water Protection Program for grant assistance to develop wellhead protection plans and stormwater management plans within Zones II.	The Water Department does have approved Zone II areas and a Wellhead Protection Plan. Funding for both of the studies came from the Source Water Protection Program.	The Town of Hopedale will ascertain the availability of funds from the Source Water Protection Program in Permit Year 4 for storm water studies.

#### 4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
21	Bylaw: Storm water management regulations for construction sites 1 acre or larger	Planning Board Conservation Commission Town Counsel Board of Health Zoning Board of Appeals	Hopedale will review model by-law developed by DEP in consultation with the Attorney General's Office.	As part of the SRF funded IDDE project, these bylaws are being reviewed and a draft report is ongoing. A meeting was held in March 05.  Another meeting was held on June 1, 2005 to review the construction bylaws.	A meeting occurred in April 2006, during year 4, when the Town received model bylaws to incorporate into the Town Bylaws.  The Town will make efforts to incorporate the model bylaws into the Town Bylaws during Year 4.

#### 5. Post-Construction Stormwater Management in New Development and Redevelopment

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
22	Bylaw: Require post-construction runoff controls	Planning Board Conservation Commission Town Counsel Board of Health Zoning Board of Appeals	Hopedale will review model by-law developed by DEP in consultation with the Attorney General's Office.	As part of the SRF funded IDDE project, these bylaws are being reviewed and a draft report is ongoing. A meeting was held in March 05.  Another meeting was held on June 1, 2005 to review the construction bylaws.	A meeting occurred in April 2006, during year 4, when the Town received model bylaws to incorporate into the Town Bylaws.  The Town will make efforts to incorporate the model bylaws into the Town Bylaws during Year 4.

6. Pollution Prevention and Good Housekeeping in Municipal Operations

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
23	Develop a municipal Operations and Maintenance Plan	Department of Public Works	Using regulations and recommendations from DEP and EPA, Hopedale will develop and update an operations and maintenance plan to include proper disposal of street sweepings, catch basin cleanout, snow disposal, roadway de-icing procedures, vehicle washing, and outside storage of materials.	The Highway Department performs yearly spring cleanout of all catch basins and sweeps all of the streets in town at least 3 (three) times per year.  The Town of Hopedale has a “ <i>Stormwater Pollution Prevention Plan (SWPPP)</i> ” of the Municipal Highway Facility. This plan is located at the Highway Facility and the Town Hall. Within the SWPPP are several municipal operations and maintenance (O&M) procedures.	The Town of Hopedale Highway Department will continue to make use of the SWPPP for O&M procedures.  The Highway Department will update the plan as necessary with relevant BMPs.
Revision		Highway Department			
24	Develop a municipal Operations and Maintenance Plan	Department of Public Works	Hopedale will implement a formal inspection program, including maintenance logs and scheduling, for catch basin cleaning, repairs, and new installation.	The Highway Department performs yearly spring cleanout of all catch basins and sweeps all of the streets in town at least 3 (three) times per year.  The Town of Hopedale has a “ <i>Stormwater Pollution Prevention Plan (SWPPP)</i> ” of the Municipal Highway Facility. This plan is located at the Highway Facility and the Town Hall. Within the SWPPP are several municipal operations and maintenance (O&M) procedures.	The Town of Hopedale Highway Department will continue to make use of the SWPPP for O&M procedures.
Revision		Highway Department			

**6. Pollution Prevention and Good Housekeeping in Municipal Operations (cont'd.)**

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
25	Develop and implement training programs for municipal employees	Department of Public Works	Hopedale will send a minimum of 5 public works employees annually to training seminars sponsored by MassHighway, BayState Roads, and other relevant agencies or vendors.	The Town DPW Superintendent has been to workshops developed by MassHighway and BayState Roads. When the superintendent returns he informs the DPW staff of what was discussed. Due to the small size of the department staff it is not feasible to send 5 employees out to a seminar at once.	The Town of Hopedale will investigate appropriate training for municipal employees for permit year 4.
Revision		Highway Department			
26	Review storm drainage infrastructure needs	Department of Public Works	Hopedale will incorporate storm drain infrastructure review in Hopedale's Chapter 90 project utilizations.	The Highway Department makes note of any problems with the storm drain system during catch basin cleaning. During Permit Year 3 it was not necessary for the Highway Department to perform drainage repair. The Department has been able to use its own forces and budget to repair the storm drainage system.	The Hopedale Highway Department will continue to maintain their drainage system within the town with their own funding but will incorporate major work in Hopedale's Chapter 90 project utilizations.
Revision		Highway Department			

**7. BMPs for Meeting Total Maximum Daily Load (TMDL) Waste Load Allocations (WLA)- NOT APPLICABLE**

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
				No TMDLs in the Town of Hopedale	

**7a. Additions**

**7b. WLA Assessment**

**Part IV. Summary of Information Collected and Analyzed**

*Summarize the results of information or data, if any, that was collected and analyzed during Permit Year 1, but was not included elsewhere in the annual report or requires further elaboration. Information and data could include results/trends from any storm or receiving water quality monitoring, assessment of particular BMP performance, or financial impact of program implementation.*

**Part V. Program Outputs & Accomplishments (OPTIONAL)**

**Programmatic**

Stormwater management position created/staffed	(y/n)
Annual program budget/expenditures	(\$)

**Education, Involvement, and Training**

Estimated number of residents reached by education program(s)	(# or %)
Stormwater management committee established	(y/n)
Stream teams established or supported	(# or y/n)
Shoreline clean-up participation or quantity of shoreline miles cleaned	(y/n or mi.)
Household Hazardous Waste Collection Days	
▪ days sponsored	(#)
▪ community participation	(%)
▪ material collected	(tons or gal)
School curricula implemented	(y/n)

**Legal/Regulatory**

	In Place Prior to Phase II	Under Review	Drafted	Adopted
<b>Regulatory Mechanism Status (indicate with "X")</b>				
▪ Illicit Discharge Detection & Elimination				
▪ Erosion & Sediment Control				
▪ Post-Development Stormwater Management				
<b>Accompanying Regulation Status (indicate with "X")</b>				
▪ Illicit Discharge Detection & Elimination				
▪ Erosion & Sediment Control				
▪ Post-Development Stormwater Management				

**Mapping and Illicit Discharges**

Outfall mapping complete	(%)	
Estimated or actual number of outfalls	(#)	
System-Wide mapping complete	(%)	
Mapping method(s)		
▪ Paper/Mylar	(%)	
▪ CADD	(%)	
▪ GIS	(%)	
Outfalls inspected/screened	(# or %)	
Illicit discharges identified	(#)	
Illicit connections removed	(#)	
	(est. gpd)	
% of population on sewer	(%)	
% of population on septic systems	(%)	

### Construction

Number of construction starts (>1-acre)	(#)
Estimated percentage of construction starts adequately regulated for erosion and sediment control	(%)
Site inspections completed	(# or %)
Tickets/Stop work orders issued	(# or %)
Fines collected	(# and \$)
Complaints/concerns received from public	(#)

### Post-Development Stormwater Management

Estimated percentage of development/redevelopment projects adequately regulated for post-construction stormwater control	(%)
Site inspections completed	(# or %)
Estimated volume of stormwater recharged	(gpy)

### Operations and Maintenance

Average frequency of catch basin cleaning (non-commercial/non-arterial streets)	(times/yr)
Average frequency of catch basin cleaning (commercial/arterial or other critical streets)	(times/yr)
Total number of structures cleaned	(#)
Storm drain cleaned	(LF or mi.)
Qty. of screenings/debris removed from storm sewer infrastructure	(lbs. or tons)
Disposal or use of screenings (landfill, POTW, compost, recycle for sand, beneficial use, etc.)	
Cost of screenings disposal	(\$)
Average frequency of street sweeping (non-commercial/non-arterial streets)	(times/yr)

Average frequency of street sweeping (commercial/arterial or other critical streets)	(times/yr)
Qty. of sand/debris collected by sweeping	(lbs. or tons)
Disposal of sweepings (landfill, POTW, compost, beneficial use, etc.)	(location)
Cost of sweepings disposal	(\$)
Vacuum street sweepers purchased/leased	(#)
Vacuum street sweepers specified in contracts	(y/n)

Reduction in application on public land of: ("N/A" = never used; "100%" = elimination)	
▪ Fertilizers	(lbs. or %)
▪ Herbicides	(lbs. or %)
▪ Pesticides	(lbs. or %)

Anti-/De-Icing products and ratios	% NaCl
	% CaCl <sub>2</sub>
	% MgCl <sub>2</sub>
	% CMA
	% Kac
	% KCl
	% Sand
Pre-wetting techniques utilized	(y/n)
Manual control spreaders used	(y/n)
Automatic or Zero-velocity spreaders used	(y/n)
Estimated net reduction in typical year salt application	(lbs. or %)
Salt pile(s) covered in storage shed(s)	(y/n)
Storage shed(s) in design or under construction	(y/n)
