Continue to update the City's website and post informational links on stormwater management issues.
1-4	Staff a booth at the annual Victorian Fair	Department of Public Works	Booth staffed annually starting in Year 2	Staffed booth at annual Victorian Fair.	Continue to staff booth at Victorian Fair and discuss stormwater management and pollution prevention.
1-5	Install and maintain signs at athletic fields	Parks Department/School Department/Department of Public Works	Signs installed at athletic fields near Ell Pond by end of Year 1 and inspected annually	Placed order for signs regarding pet waste to be installed at parks and athletic fields.	Continue to maintain signs.
1-6	Annual update of the Stormwater Management Plan at a televised Aldermen's meeting	Department of Public Works	Annual update of the SWMP at a televised Aldermen's meeting, starting in Year 2	Presented an informational update on the Stormwater Management Plan at a televised Alderman's meeting regarding ongoing and upcoming events.	Present update of SWMP at a televised Alderman's meeting.

1-7	Post information on stormwater management issues on local access TV	Department of Public Works	Stormwater information posted and updated on local access cable television channel during periods of non-programming	Aired informational video from the United States EPA titled, "Reining in the Storm – One Building at a Time".	Continue to post stormwater informational programs on local access cable channel.
-----	---	----------------------------	--	---	---

1a. Additions

1-8	Speak with elementary school students and teachers about stormwater management and pollution prevention	Department of Public Works	Speak to children at annual Public Works Day.	Staffed booth at annual Public Works Day.	Staff booth at annual Public Works Day and discuss stormwater management and pollution prevention.
-----	---	----------------------------	---	---	--

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
2-1	Comply with state public notification guidelines at MGL Chapter 39 Section 23B	City Clerk	Notices posted in designated locations	Posted notices announcing upcoming meetings.	Post notices announcing upcoming meetings. On going throughout the permit term.
2-2	Stencil catch basins with “don’t dump” message	Department of Public Works	25 catch basins stenciled per year, in Years 2 through 5 of the permit	Stencils selected. Selection of volunteer groups in progress.	Stencil catch basins in the Spring. Stencil catch basins that drain to ponds first.
2-3	Assist in clean-up events	Department of Public Works	Assist the Eil Pond Committee on its annual clean-up events	Assisted in Eil Pond annual clean-up and tree planting with the Eil Pond Restoration Committee and Swains Pond clean-up with the Cub Scouts and Girl Scouts.	Assist in at least one annual clean-up event.

2a. Additions

	None				
--	------	--	--	--	--

3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
3-1	Conduct dry weather outfall screening	Department of Public Works	Percent of outfalls screened in Years 1 and 5	BMP to continue in Year 5.	BMP to continue in Year 5.
3-2	Map stormwater outfalls	Department of Public Works	Map showing all known stormwater outfalls in Year 1	BMP completed. Information updated as necessary.	Update information as necessary.
3-3	Map stormwater collection system in GIS	Department of Public Works	GIS of stormwater system by end of Year 2	BMP completed. Information updated as necessary.	Update information as necessary.
3-4	Develop and implement a plan to identify and remove non-stormwater discharges to the MS4	Department of Public Works	Number of illicit connections investigated, found and removed	Field investigations to be conducted in the Spring.	If necessary, conduct field investigations of areas tributary to prioritized outfalls to locate and remove illicit connections.
3-5	Strengthen ordinance for access to buildings and requiring redirection of illicit connections	City Attorney/Department of Public Works	Draft ordinance developed and presented to Aldermen	Draft ordinances in progress.	Finalize draft ordinance and submit to the Board of Aldermen until approved by end of permit term.
3-6	Develop bylaw requiring inspection of new construction for correct connection to sanitary sewer	City Attorney/Department of Public Works	Draft bylaw developed and presented to Aldermen	Draft ordinances in progress.	Finalize draft ordinance and submit to the Board of Aldermen until approved by end of permit term.

3a. Additions

	None				
--	------	--	--	--	--

4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
4-1	Develop a Construction Site Erosion and Sediment Control ordinance for construction sites greater than 1 acre in area	Planning Board/Zoning Board of Appeals/Department of Public Works/Inspection Services	Draft ordinance developed and presented to Aldermen	Draft ordinances in progress.	Finalize draft ordinance and submit to the Board of Aldermen until approved by end of permit term.
4-2	Require construction site operators to submit monthly erosion and sediment control inspection reports to the City for sites greater than 1 acre	Department of Public Works/Zoning Board of Appeals/Inspection Services	Inspection reports submitted to the City	BMP began in Year 3. Construction site operators required to submit monthly erosion control inspection reports to the City.	BMP to continue in Year 4.
4-3	Review site plans for stormwater impacts	Planning Board / Department of Public Works/Inspection Services	Site plans for construction impacts greater than 1 acre reviewed for erosion and sediment control	Implemented internal protocol for reviewing plans-including identification/training of appropriate town department to conduct review. Site plan reviews for stormwater impacts.	Continue site plan reviews for stormwater impacts.
4-4	Consideration of public input	Department of Public Works/Inspection Services	Public review and comment periods held; signs posted at each construction site	Conducted public outreach meeting for various Public Works projects. Any project larger than one acre requires NPDES Permit. City maintains communication with residents throughout duration of projects at hearings and neighborhood meetings.	Continue placing notices in the newspaper announcing a review and comment period for construction projects disturbing more than 1 acre.

4a. Additions

	None				
--	------	--	--	--	--

5. Post-Construction Stormwater Management in New Development and Redevelopment

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
5-1	Develop a bylaw to apply standards 2,3,4,7 and 9 for the Massachusetts Stormwater Policy (MSP) to the developments disturbing more than 1 acre throughout entire City	Planning Board/Zoning Board of Appeals/Department of Public Works/Inspection Services	Draft bylaw developed and presented to Board of Aldermen	Draft ordinances in progress.	Finalize draft ordinance and submit to the Board of Aldermen until approved by end of permit term.
5-2	Specify a stormwater BMP manual to be used for consistent design and performance standards	Planning Board / Department of Public Works/Inspection Services/Conservation Commission	BMP manual selected by end of Year 1	BMP completed. Specified Massachusetts DEP and CZM, “Stormwater Management, Volume Two: Stormwater Technical Handbook”, March 1997.	BMP completed
5-3	Develop draft bylaw to ensure long-term maintenance of structural BMPs	Department of Public Works/Inspection Services	Draft bylaw developed and presented to Board of Aldermen	Draft ordinances in progress.	Finalize draft ordinance and submit to the Board of Aldermen until approved by end of permit term.

5a. Additions

None

6. Pollution Prevention and Good Housekeeping in Municipal Operations

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 3 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 4
6-1	Employee Training Program	Department of Public Works	Number/percent of Department of Public Works employees who receive stormwater training each year	Training scheduled for the General Foreman of Water, Sewer and Drains and the Drain Foreman. These personnel represent 100% of the Drainage Department.	Provide training once per permit term to DPW employees whose day-to-day activities include maintenance of the stormwater system, street cleaning, snow removal operations, or similar activities.
6-2	Continue street sweeping program	Department of Public Works	During non-winter months, commercial streets swept twice per week, all streets swept once annually in the spring	Continued street sweeping program, maintained records of schedule and daily volume of residuals collected. Insured proper disposal of residuals.	Continue street sweeping program; maintain records of schedule and daily volume of residuals collected. Insure proper disposal of residuals.
6-3	Storm drain maintenance	Department of Public Works	Percent of catch basins cleaned annually	Cleaned 50% of the City's catch basins. Cleaned drain pipes as necessary. Kept records of residual volumes on a daily basis and prioritized those with the largest for frequent cleaning. Insured proper disposal of residuals.	Clean at least 1/3 of the City's catch basins. Clean prioritized catch basins and clean drain pipes as necessary. Insure proper disposal of residuals.
6-4	Evaluate street sweeping and catch basin cleaning equipment	Department of Public Works	Evaluation of existing equipment	Evaluated equipment to determine if replacement or upgrades would improve efficiency via weekly maintenance reports.	Evaluate equipment to determine if replacement or upgrades would improve efficiency.

6-5	Roadway deicing	Department of Public Works	Amount and type of deicers used	Continued existing roadway deicing procedures: <ul style="list-style-type: none"> Used appropriate sand/salt mixture Calibrated spreaders at beginning of each winter (at least once a year) Maintained calibration and deicer volume records after each storm Kept salt stored in enclosed shed. It is never stored outside. Minimized time salt/sand uncovered 	Continue existing roadway deicing procedures. <ul style="list-style-type: none"> Use appropriate sand/salt mixture Calibrate spreaders at beginning of each winter Maintain calibration and deicer volume records Keep salt stored Minimize time salt/sand uncovered
6-6	Minimize impacts from vehicle maintenance	Department of Public Works	Training of Department of Public Works employees once per permit term; hazardous material usage tracked	<ul style="list-style-type: none"> Mechanics are scheduled for training in use and disposal of motor vehicle gasoline and oil, solvents, diesel, etc. Hazardous materials were properly managed Hazardous material usage was tracked All vehicle maintenance was done inside the garage 	Before the end of the permit term: Conduct employee training, proper hazardous materials management and use reduction, track material usage, and limit vehicle maintenance activities to the DPW garage or other contained areas.
6-7	Minimize impacts from vehicle washing	Department of Public Works	Small vehicles washed at commercial car wash, use of biodegradable phosphate free soap, evaluation of alternatives to current outdoor large vehicle washing procedures	Instituted the use of biodegradable phosphate free soap, washed smaller vehicles at commercial car washes.	Continue to use biodegradable phosphate free soap, wash small vehicles at commercial car washes and conduct feasibility study for washing large vehicles by end of the year.
6-8	Park and landscape maintenance	Parks Department (by contract) /Cemetery Department	Amount of herbicides/fertilizers used	<ul style="list-style-type: none"> No herbicides or pesticides were used Fertilizers used sparingly by contractors 	Conduct staff training once per permit term (if staff is involved in the use of herbicides, pesticides, or fertilizers).

6-9	Continue tree planting and maintenance program	Department of Public Works	Number of trees planted per year	Planted 64 trees and maintained all City trees.	Plant a minimum of 20 trees and maintain all City trees.
6-10	Illegal dumping control	Department of Public Works	Signs posted at dead end streets and other possible illegal dumping locations; sites where illegal dumping is identified are cleaned up	Inventoried illegal dumping locations. Signs are posted. Sites monitored regularly.	If needed, post additional signs at dead end streets and other possible illegal dumping locations.
6-11	Household Hazardous Waste Day	Department of Public Works	Household Hazardous Waste Collection Day held annually	Held Household Hazardous Waste Collection Day.	Held Hazardous Waste Collection Day.
