Part II. Self-Assessment

The City has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions.

Part III. Summary of Minimum Control Measures

The following sections numbered 1 through 7 detail the Best Management Practices (BMP's) as outlined in the Notice of Intent submitted in July 2003. Section 8 is a revised schedule of the BMP's. Asterisks (*) note those BMP's that have revised schedules.

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
1-1	Article/brochure/flyer about stormwater mailed to residents and businesses	Conservation Commission/DPW	Article/brochure/flyer distributed annually starting in the second permit year	Article submitted.	Submit article.
1-2	Article about stormwater published in the local newspaper and/or the Mystic River Watershed Association newsletter	Conservation Commission	Article submitted annually for publication starting in the second permit year	Article/flyer was submitted.	Submit article.
1-3	Update City website to include information on stormwater management issues	Conservation Commission/Communications	City website updated in the second permit year	None, BMP Complete.	None, BMP Complete.
1-4	Install and maintain pet waste clean-up signs at parks	DPW	Annual inspection and maintenance of signs starting in second permit year	Inspected and maintained signs. All signs read "No dogs allowed" in all parks.	Inspect and maintain signs as necessary.

1-5	Annual update of the Stormwater Management Plan at a televised Board of Aldermen meeting.	DPW/Conservation Commission	Annual update of SWMP at Board of Aldermen meeting	No update was provided. Quarterly reports on CSO's given to Aldermen. Annual storm-water report distributed to Board.	Continue submitting periodic updates to Board of Alderman
1-6	Post information on stormwater management issues on local access television.	DPW/Communications	Information posted and updated on local access channel.	Information posted on local TV.	Continue to post information on local access TV.

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
2-1	Comply with state public notification guidelines at MGL Ch. 39 Section 23B.	Planning Board/Zoning Board of Appeals/DPW-ISD & Eng/Conservation Commission/City Clerk	Notices posted in designated locations.	The Planning Board and Zoning Board of Appeals held numerous public hearings for projects requiring Special Permit of which City Engineer reviewed 8 for storm-water related regulations. All of these hearings were conducted in conformance with MGL Ch. 39 Section 23B.	Continue to hold public hearings for Special Permit projects, and review by City Engineer for drainage. Continue to meet all statutory notice requirements and ensure that all project sites that require permits from the Planning Board or Zoning Board have notices clearly posted on-site to alert neighbors and other interested persons.
2-2	Stencil catch basins with "don't dump" message.	DPW/Conservation Commission	Number of catch basins stenciled annually	Stenciling program did not occur this year.	Stencil additional catch basins.
2-3	Co-sponsor clean-up days for river and water bodies affected by Somerville discharges	DPW/Conservation Commission	Co-sponsor and participate in river cleanup events	Annual Mystic River clean-up was conducted and sponsored by the Cons. Comm. As well as Mystic River Watershed Assoc.	Support continuing Mystic River cleanup events.

3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
3-1	Conduct dry weather outfall screening	DPW	Percent of outfalls screened	Outfalls were monitored by My.R.W.A. and in-house to determine dry-weather flows.	Continue to monitor and report on outfalls, in association with Mystic River Watershed Association.
3-2	Map stormwater outfalls and receiving waters	DPW	Map created	None, BMP complete.	None, BMP complete.
3-3	Map the stormwater collection system in a GIS	DPW/IT	GIS of stormwater system created	None, BMP complete.	None, BMP complete.
Revised	GIS System Improvements	DPW/IT	Outfall watersheds shown on GIS	None, BMP complete.	None, BMP complete.
3-4	Develop and implement plan to identify and remove non-stormwater discharges	DPW	Number of illicit connections found and removed	Contract was let to replace sewers and drains on 4 streets. To date, 3,000 ft. of sewers and drains were replaced on 3 streets in the Woodstock St. outfall area.	Continue efforts to identify and repair illicit connections, repair collapsed catch basins and replace broken storm sewers. Replace sewers and drains on the 4 th street in Woodstock St. area.
3-5	Identify twin-invert manholes and implement sanitary inflow prevention measures	DPW	Number of twin-invert manholes identified and corrected	None, BMP complete.	None, BMP complete.
3-6 *	Develop ordinance that prohibits non-stormwater connections to the MS4, gives the City authority to access buildings to search for and require redirection of illicit connections.	City Solicitor/DPW	Draft ordinance developed in second permit year and present to Board of Aldermen	Continued developing a draft comprehensive stormwater ordinance? Elements of all storm-water related regulations are already found in the city's zoning ordinance. Question the need for a stand-alone storm-water ordinance.	Present ordinance to Board of Aldermen, Mayor and Law Office? Question the need for the ordinance when all aspects of storm-water regulations are found in zoning ordinance.
3-7	Continue inspection of new construction for correct connection	DPW	New construction inspected	Six (6) new sanitary sewer connections were inspected and permitted by City Engineer's Office.	New sewer construction will continue to be inspected and permitted.

4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
4-1 *	City-wide construction site ESC ordinance for construction sites greater than 1 acre in area	City Solicitor/Planning Dept/DPW	Draft ordinance developed in second permit year and presented to Board of Aldermen	Continued developing a draft comprehensive stormwater ordinance? Erosion control is presently addressed for Special Permitted projects, regardless of size, within Zoning Regulations.	Present ordinance to Board of Aldermen, Mayor and Law Office? Erosion-related issues are addressed in zoning and state DEP rules.
4-2	Review site plans for stormwater impacts for sites greater than 1 acre	Conservation Commission/Planning Dept	Number of site plans reviewed	Three (3) sites greater than 1 acre submitted for review. No construction permits have been issued to date.	Review applicable site plans.
4-3	Consider public input	Planning Board	Public review and comment periods held; signs posted at construction sites	Numerous public hearings have been conducted by Planning board. Signs have been posted at sites.	Continue public hearing, hold review and comment periods, post signs at construction sites.

5. Post-Construction Stormwater Management in New Development and Redevelopment

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
5-1 *	Develop ordinance to apply Standards 2, 3, 4, 7, and 9 of the MA Stormwater Policy to developments disturbing > 1 acre.	City Solicitor/Planning Dept	Draft ordinance developed in second permit year and presented to Board of Aldermen	Continued to follow storm-water related articles in the city's zoning ordinance and to follow guidelines from the State DEP.	Present ordinance to Board of Aldermen, Mayor and Law Office? Question need for ordinance.

P: 7/10

TO: 6179180560

5-2	Specify a stormwater BMP manual to be used for consistent design and performance standards	Conservation Commission/Planning Dept	BMP manual selected	None, MA DEP BMP Manual selected in Year 1.	None, BMP complete.
5-3	Ensure long-term maintenance of structural BMPs.	City Solicitor/Planning Dept/DPW	Draft ordinance developed in second permit year and presented to Board of Aldermen	City Engineer, in his review of Special Projects requiring site plan review, requires that the proponent's engineer develop a "Drainage Inspection & Maintenance Plan" to be given to the owner(s).	Continue to review site plans, etc. for conformance to Zoning and DEP regulations.

6. Pollution Prevention and Good Housekeeping in Municipal Operations

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
6-1	Employee training program.	DPW	Number/percent of DPW employees who receive stormwater training each year	City Engineer and Sewer Director attended seminar on storm-water permitting and other issues and reviewed books, articles and professional publications on storm-water.	Continue with education and training activities.
6-2	Continue street and municipal parking lot sweeping.	DPW	City streets swept twice monthly from April to November, municipal parking lots swept in spring.	All streets were swept twice per month from April 1 through November 30, and earlier or later as weather permits.	Continue street sweeping program.
6-3	Storm drain maintenance	DPW	Clean 100 percent of stormwater catch basins every three years	1,600 catch basins were cleaned.	Continue cleaning catch basins.
6-4	Evaluate street sweeping and catch basin cleaning equipment	DPW	Continually evaluate existing equipment	Vactor truck has performed satisfactorily and the sweeping program has continued without a glitch.	Continue to evaluate the necessary equipment needed to maintain the drainage system.

City of Somerville, Massachusetts EPA NPDES Permit No. MAR041082/MADEP Transmittal No. W041121
 NPDES PII Small MS4 General Permit Annual Report No. 3

6-5	Roadway deicing	DPW	Amount and type of deicers used.	Deicers used: 2,400 +/- T. rock salt, 200 +/- T. sand, 100 +/- T. calcium chloride.	Continue to use deicers as required by winter weather.
6-6	Continue spill prevention and response training at DPW facility.	DPW/Fire Department	Periodic training of employees	Employees participated in disaster mitigation exercises with hazardous material spills included in the program.	Continue periodic training.
6-7 *	Develop written spill prevention and response plan for DPW facility.	DPW/Fire Department	Written spill prevention and response plan developed and reviewed annually	No detailed plan generated yet.	Complete and review plan.
6-8	Minimize impacts from vehicle maintenance at DPW	DPW	Amount of hazardous materials used	Water with biodegradables used on vehicles. All gas traps in DPW yard were cleaned.	Continue to maintain gas traps and use biodegradable material on vehicles.
6-9	Minimize impacts from vehicle washing at DPW	DPW	City departments educated on proper vehicle washing practices	All catch basins in DPW yard are connected to a combined sewer, which flow is treated at MWRA plant.	Vehicle washing does not contribute to stormwater, since runoff is treated. However, continue to use biodegradable material on vehicles.
6-10	Continue tree planting and maintenance program.	DPW/OHCD	Number of trees planted	Continue tree planting program Planted 101 trees.	Continue tree planting program.
6-11	Continue to hold Household Hazardous Waste Collection Events	DPW/Environmental Protection Office	Household Hazardous Waste Collection Day held.	Collection days were held on the 2 nd Saturday of the month between April and November.	Continue holding collection days.
6-12	Continue to provide hazardous waste drop offs and collection services for other waste products throughout the year	DPW/Environmental Protection Office	Hazardous waste drop offs and normal waste collection services provided year-round	Provided year-round drop offs for TVs, computer monitors, tires, and propane tanks. Oil and anti-freeze drop off program has been discontinued.	Continue providing drop offs for TVs, computer monitors, tires, and propane tanks year-round.
