Part II. Self-Assessment

The City of Beverly has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions. The Stormwater Committee believes we have made good progress relative to specific BMP's. Refer to the report for details by BMP.

The Summary of Minimum Control Measures Tables that follow have as titles "Progress on Permit Year 4"—this should read and we are reporting on "Progress on Permit **Year 5**". "Planned Activities-Permit Year 5" is not valid as the permit expires. This item is not completed except when we have programs in place that have long lead times.
