Part II. Self-Assessment

The Town of Lanesborough has continued implementing the Measurable Goals noted in Lanesborough's Notice of Intent for coverage under the 2003 NPDES Small MS4 General Permit. Lanesborough is pleased to present the following summary describing its success at implementing the sixth year of the Town's Comprehensive Stormwater Management Program.

The Town continues to monitor the websites of regulatory agencies for the issuance of the 2009 Small MS4 General Permit. When this 2009 General Permit is issued, the Town will evaluate the new requirements and identify the highest priority compliance issues. The Town intends to prepare a Notice of Intent for coverage under the 2009 General Permit.

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
1	Create a Stormwater Program	Department of Public Works, Planning Board, Conservation Commission, Board of Health, Board of Selectmen	Lanesborough will present to the public at a public meeting Lanesborough's draft Comprehensive Stormwater Management Program.	Lanesborough continued to publicly review implementation of Lanesborough's Comprehensive Stormwater Program. A public workshop presentation was held in June 2007.
2	Create a Stormwater Program	Department of Public Works	Lanesborough will identify appropriate sources of funding assistance (SRF, 319 Grant Program, 604(b) Grant Program, Lakes & Ponds Grant Program, Source Water Protection Grant Program, Recycling Grant Program) and apply for assistance in implementing portions of Lanesborough's Comprehensive Stormwater Management Program, including public education and outreach.	The Town continues to seek funding sources, however, no additional funding was received in the permit year.

1. Public Education and Outreach (cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
3	Address specific groups	Department of Public Works	Distribute EPA and other relevant educational brochures to targeted audiences. Distribution points include Town Hall, Library, and Transfer Station.	The Town is in receipt of EPA educational materials on disc for easy printing and distribution. Brochures are printed and made available at town buildings. The Friends of Pontoosuc Lake distribute their biannual newsletter to a targeted mailing list and make available copies at various locations throughout Town.
4	Target groups likely to impact storm water	Department of Public Works	Brochures targeting specific audiences and activities will be available. These target groups include homeowner and lawn maintenance activities, disposal of household waste, and pet maintenance.	See BMP 3
5	Identify alternative information sources	Board of Selectmen	Lanesborough will develop a website to post public meetings on water quality issues and links to water quality education sites at DEP and EPA.	Lanesborough has developed a town website: www.lanesborough-ma.gov . Meeting minutes are posted. Links to Friends of Pontoosuc Lake and Berkshire Regional Planning Commission are also on the website.

1. Public Education and Outreach (cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
6	Identify alternative information sources	Board of Selectmen	The Friends of Pontoosuc Lake and the Housatonic Valley Association will be consulted and asked to provide educational data from their studies and educational programs for distribution to the Town residents. Distribution points can include town hall, library, local convenience stores, etc.	The newsletter, "Pontoosuc Lake News" is published and distributed to Town residents. The newsletter includes BMPs, water quality information, and project descriptions occurring at the lake.
7	Promote Household Waste Recycling	Department of Public Works Board of Health	The Town of Lanesborough, the Board of Health, and the Northern Berkshire Solid Waste Management District will promote recycling and hazardous waste collection opportunities through brochures and mailings.	The Town of Lanesborough has a mandatory recycling bylaw. The Board of Selectmen publicly announces dates for Bulky Waste Collection at town meeting and through postings. This period's bulky waste collection day took place on May 17, 2008.
8	Develop, conduct and document educational programs	Board of Selectmen Liaison	The Town of Lanesborough will appoint a liaison to the Hoosic River Watershed Association to disseminate information to the Town on programs and activities.	The liaison to the Hoosic River Watershed Association meets with the Town Administrator to discuss information relative to programs and activities.
9	Promote Household Waste Recycling	Department of Public Works Board of Health	The Town of Lanesborough, the Board of Health, and the Northern Berkshire Solid Waste Management District will promote recycling and hazardous waste collection opportunities through brochures and mailings.	The Town of Lanesborough has a mandatory recycling bylaw. Bulky Waste Collection Day is held annually and was held on May 17, 2008. Hazardous Waste Collection was held on October 4, 2008. The Town posts these events on the Town calendar posted on its website, www.lanesborough-ma.gov. The Town of Lanesborough will continue to promote recycling.

3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
13	Inventory and mapping of storm drain system	Department of Public Works	Lanesborough will identify appropriate sources of funding assistance (SRF, 319 Grant Program, 604(b) Grant Program, Lakes & Ponds Grant Program, Source Water Protection Grant Program, Recycling Grant Program) and apply for assistance in implementing portions of Lanesborough's Comprehensive Stormwater Management Program, including public education and outreach.	The Town continues to seek new funding sources, however, no additional funding was obtained in permit year 6.
14	Mapping and identification of outfalls and receiving waters	Department of Public Works Board of Assessors	Lanesborough will develop and implement a plan to map all outfalls and receiving bodies of water, contingent on Town Meeting approval of funding.	Lanesborough completed working with a consultant to map and inspect outfalls in the original 5 year permit period. Outfalls have been mapped using GPS technology, were digitally photographed and conditions were assessed.

3. Illicit Discharge Detection and Elimination (cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
15	Identification/description of problem areas	Department of Public Works	Lanesborough will develop and implement an Illicit Discharge Detection and Elimination (IDDE) plan, contingent on Town Meeting approval of funding.	Lanesborough has developed and implemented an IDDE plan. As part of this plan, outfalls were mapped and inspected. Inspections continue on an annual basis and problem outfalls are addressed immediately.
16	Enforcement procedures addressing illicit discharges	Planning Board Town Council Board of Health	Lanesborough will review whether local authority is appropriate and able to respond to potential illicit discharges. New by-laws, if necessary, will be proposed to Town Meeting.	Lanesborough has a hazardous material release bylaw. Lanesborough has passed a by-law regarding Illicit Discharges.
17	Public information program regarding hazardous wastes and dumping	Department of Public Works Board of Health	Lanesborough will provide educational brochures to residents promoting proper disposal of household hazardous wastes and conditions for regional collections.	A brochure entitled “Waste Disposal Fact Sheet” is available from the Town Hall and includes information regarding landfill banned items, recyclables taken at the Springfield MRF, backyard composting, and items accepted at the Lanesborough transfer station. A regional hazardous waste day was conducted in conjunction with the Northern Berkshire Solid Waste Management District.
18	Initiation of recycling programs	Planning Board Board of Health	Lanesborough will apply for funding assistance from DEP’s Recycling Grant Program for assistance in public education and the purchase of recycling materials.	The Northern Berkshire Solid Waste Management District applies for recycling grants from DEP annually. The Town continues to seek further funding sources.

3. Illicit Discharge Detection and Elimination (cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
19	Watershed assessments and studies	Department of Public Works Conservation Commission Board of Health	Lanesborough will identify opportunities for funding assistance from DEP's 604(b) and 319 grant programs and the Department of Environmental Management's Lakes and Ponds Grant Program to support watershed assessment and implementation activities. Tasks can include design and installation of stormwater BMPs and public outreach including storm drain stenciling. Emphasis will be on assessments and remediation of stormwater related problems impacting water quality.	The Town continues to seek funding sources, however, no further funding was obtained in permit year 6.
20	Watershed assessments and studies	Department of Public Works	The Town of Lanesborough will apply for funding assistance from DEP's Source Water Protection Program for grant assistance to develop wellhead protection plans and stormwater management plans within Zones II in Lanesborough.	N/A

4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
21	Bylaw: Storm water management regulations for construction sites 1 acre or larger	Planning Board, Conservation Commission, Town Counsel Board of Health, Zoning Board of Appeals	Lanesborough will review model by-law developed by DEP in consultation with the Attorney General's Office.	A Bylaw for Stormwater management regulations for construction sites 1 acre or larger was adopted by the Town in the original 5 year permit term.

5. Post-Construction Stormwater Management in New Development and Redevelopment

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
22	Bylaw: Require post-construction runoff controls	Planning Board Conservation Commission Town Counsel Board of Health Zoning Board of Appeals	Lanesborough will review model by-law developed by DEP in consultation with the Attorney General's Office.	A Bylaw for Stormwater management regulations for construction sites runoff controls was adopted by the Town in the original 5 year permit term.

6. Pollution Prevention and Good Housekeeping in Municipal Operations

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
23	Develop a municipal Operations and Maintenance Plan	Department of Public Works	Using regulations and recommendations from DEP and EPA, Lanesborough will develop and update an operations and maintenance plan to include proper disposal of street sweepings, catchbasin cleanout, snow disposal, roadway de-icing procedures, vehicle washing, and outside storage of materials.	Lanesborough cleans all catch basins with more than 2" of sediment in the fall of every year. Any maintenance required on an interim basis is addressed immediately. Lanesborough has an annual spring street sweeping program; The Town cleaned all streets in May of Permit Year 6. The streets will be cleaned again in May of 2009.
24	Develop a municipal Operations and Maintenance Plan	Department of Public Works	Lanesborough will implement a formal inspection program, including maintenance logs and scheduling, for catchbasin cleaning, repairs, and new installation.	Maintenance on stormwater controls at the municipal garage continued in Permit Year 6. The Town performed maintenance on catch basins on Brodie Mountain Rd, Old State Rd, and at Lanesborough Elementary School. Water quality sampling will continue after storm events.

6. Pollution Prevention and Good Housekeeping in Municipal Operations (cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
25	Develop and implement training programs for municipal employees	Department of Public Works	Lanesborough will send a minimum of 3 public works employees annually to training seminars sponsored by MassHighway, BayState Roads, and other relevant agencies or vendors.	The Department of Public Works continues to seek training opportunities. Educational materials are available at town buildings.
26	Review storm drainage infrastructure needs	Department of Public Works	Lanesborough will incorporate storm drain infrastructure review in Lanesborough's Chapter 90 project utilizations.	New catch basins and drainage pipes were installed on Olsen Road, Stormview Road, and Prospect Street.

7. BMPs for Meeting Total Maximum Daily Load (TMDL) Waste Load Allocations (WLA)- NOT APPLICABLE

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)
				No TMDLs in the Town of Lanesborough
