Part II. Self-Assessment

The Town of Dalton has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions.

Part III. Summary of Minimum Control Measures

The BMP, responsible party, and measurable goal information from the Town of Dalton's NOI have been transcribed here. A description of the progress made toward achieving the measurable goals during the prior year and what activities are planned for next year are included in the last two columns, respectively. Changes that revise/replace or add components to the storm water management program as reflected in the Annual Report are included where applicable.
