Part II. Self-Assessment

The Town of North Reading has completed the required self-assessment and determined that our municipality is in compliance with all permit conditions. The Town has revised the Stormwater Management Rules and Regulations and passed them at Town Meeting in Year 8. The Town is continuing research into the installation of sanitary sewer in key areas of the Town. Several Town meetings have been held to review the findings of the Comprehensive Wastewater Management Plan, developed by Weston and Sampson, and community input on the possible installation of sanitary sewer in the town.

The Town, along with the Martins Pond Association volunteers has installed five rain gardens throughout the Town. The Martins Pond Association held events throughout the year educating the public through library displays, in schools, demonstrations at the Apple Festival, and at the Lowell National Historic Park.

The Town is continuing its efforts to reduce sediments by conducting street sweeping on all streets, cleaning out all catchbasins and hiring a vactor service to clean out all stormceptors each year.

The Town cleaned debris out of 20 outfalls, replaced 4 manholes and 4 catchbasin and 200' of drain pipe to these outfalls.

Recently, the Town completed a windshield survey of all drainage structures and added an additional 300 drain manholes and 300 catchbasins previously unmapped. A new GIS layer has been created and will be used to locate and describe all the BMP's in the Skug River basin, such as pervious pavement, detention ponds, rain gardens, and stormceptors.

The Town held two successful Hazardous Waste Days, the first on Jun 4, 2011 for propane tanks, tires, car batteries, and mercury thermometers, the second on September 17, 2011 for household chemicals and light bulbs.

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities Permit Year 10
1A Revised	Two meetings with Town	DPW/ M. Soraghan	Hold a meeting on stormwater in Town	Held several public meetings with the Town that including public involvement from Martins Pond Association.	Continue to hold meetings with the Town that includes public involvement from Martins Pond Association.
1B Revised	Develop plan for public education	DPW/ M. Soraghan	Identify and develop public education programs.	Coordinated with Martins Pond Association to install Library displays and displays at public events.	Continue to coordinate with existing Town agencies and non-profit groups.

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities Permit Year 10
2A Revised	Two meeting with Town	DPW/ M. Soraghan	Number of meetings held.	Held several meetings with Town that including public involvement from Wastewater Planning Advisory Committee and Martins Pond Association.	Continue meetings with Town that include public involvement from Wastewater Planning Advisory Committee and Martins Pond Association.
2B Revised	Public Participation Plan	DPW/ M. Soraghan	Number of programs developed.	The Town along with Martins Pond Assoc. volunteers, installed 5 rain gardens and held informative public demonstrations about stormwater at the Apple Festival and Lowell National Historic Park	Continue to coordinate with existing Town agencies/groups including the Martins Pond Association Reading/North reading Stream Team, and the Ipswich River Watershed Association to implement current grant projects.

3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities Permit Year 10
3A Revised	Illicit Connection Identification	DPW/ M. Soraghan	# of dry weather outfalls assessed.	In permit year 7 screening occurred at 24 outfalls.	Measurable goals for 2003 permit have been met.
3B Revised	Illicit Source Identification	DPW/ M. Soraghan	# of illicit sources investigated.	In permit year 7 screening occurred at 24 outfalls.	Measurable goals for 2003 permit have been met.
3C Revised	Ordinance development to prohibit non-storm water flows	DPW/ M. Soraghan	Bylaw/Ordinance adopted by Town.	Storm Water Management Bylaw was approved and became effective in Permit Year 4.	Measurable goals for 2003 permit have been met.
3D Revised	Storm Water map development	DPW & Planning M. Soraghan/S. Murphy	Map completed showing outfalls.	Completed mapping of storm water system that included outfalls, drainage piping, catch basins, and manholes in Permit Year 3. Conducted windshield survey this year to update drainage map for any new construction or redevelopment since previous mapping was completed. Nearly 300 catchbasins and 300 manholes were added to the map.	Measurable goals for 2003 permit have been met.

4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities Permit Year 10
4A Revised	Ordinance development for waste control	DPW/ M. Soraghan	Recommend ordinance/ bylaw language at Town Meeting.	Storm Water Management Bylaw was approved and became effective in Permit Year 4.	Measureable goals for 2003 permit have been met.
4B Revised	Formalize site plan review procedures	DPW/ M. Soraghan	Site plan review procedures document complete.	Storm Water Management Bylaw was approved and became effective in Permit Year 4. Rules and Regulations adopted in Permit Year 8.	Measureable goals for 2003 permit have been met.
4C Revised	Revised ordinance to address storm water pollution	DPW/ M. Soraghan	Recommend ordinance/bylaw language at Town Meeting.	Storm Water Management Bylaw was approved and became effective in Permit Year 4.	Measureable goals for 2003 permit have been met.
4D Revised	BMP Manual	DPW/ M. Soraghan	Handbook completed and adopted by Town.	The Town of North Reading's BMP Manual was reviewed and finalized in Permit Year 3. Manual is referenced in Rules and Regulations adopted in Permit Year 8.	Measureable goals for 2003 permit have been met.
4E Revised	Formalize Inspection Procedures	DPW/ M. Soraghan	Standard operating procedures on inspection complete.	Storm Water Management Bylaw was approved and became effective in Permit Year 4. Rules and Regulations adopted in Year 8 include inspection requirements.	Measureable goals for 2003 permit have been met.

5. Post-Construction Stormwater Management in New Development and Redevelopment

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities Permit Year 10
5A Revised	Procedures for long term O&M	DPW/ M. Soraghan	Adoption of procedures by Town.	Storm Water Management Bylaw was approved and became effective in Permit Year 4. Rules and Regulations have been adopted by the Town in Permit Year 8.	Measureable goals for 2003 permit have been met.
5B Revised	Site plan review procedures for water quality impacts	DPW/ M. Soraghan	Adopt procedures.	Storm Water Management Bylaw was approved and became effective in Permit Year 4. Rules and Regulations have been adopted by the Town in Permit Year 8.	Measureable goals for 2003 permit have been met.
5C Revised	BMP Handbook	DPW/ M. Soraghan	BMP Handbook	The Town of North Reading's BMP Manual was reviewed and finalized in Permit Year 3. Manual is referenced in Rules and Regulations adopted by the Town in Permit Year 8.	Measureable goals for 2003 permit have been met.
5D Revised	Revise ordinance to address storm water pollution	DPW/ M. Soraghan	Recommend ordinance/bylaw language at Town Meeting.	Storm Water Management Bylaw was approved and became effective in Permit Year 4.	Measureable goals for 2003 permit have been met.

6. Pollution Prevention and Good Housekeeping in Municipal Operations

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities Permit Year 10
6A	Employee Training	DPW/ M. Soraghan	# of employees trained.	Conducted Storm Water Management workshop with Town departments including the DPW in Permit Year 2. Eighteen (18) employees were trained	Measurable goals for 2003 permit have been met.
Revised					
6B	Prioritized Street Sweeping	DPW/ M. Soraghan	Schedules and prioritized street sweeping	The Town purchased a mechanical sweeper in 2005 and has since increased street sweeping on a more frequent basis in prioritized areas.	Measurable goals for 2003 permit have been met.
Revised					
6C	Spill Response and Prevention	DPW/ M. Soraghan	Develop procedures.	At Storm Water Management Workshop discussed proper spill response and prevention BMP's in Permit Year 2.	Measurable goals for 2003 permit have been met.
Revised					
6D	Prioritized Catch Basin Cleaning	DPW/ M. Soraghan	Schedules and prioritizes cleaning.	Outlined recommendations in the Town's Storm Water Capital Improvement Program Report that includes modification to the Town's current catch basin cleaning program in Permit Year 3. Considered changes to the catch basin cleaning program based on prioritization and cleaning equipment recommendations.	Measurable goals for 2003 permit have been met.
Revised					

Part IV. Summary of Information Collected and Analyzed

During development of the Stormwater Management Rules and Regulations fees have been put in place to offset the cost of administration processing and engineering review of stormwater applications. These fees include an Application Fee (\$500), Review Fee (depending on the complexity of the project) and an Inspection Fee (also depending on the complexity of the project). The Review and Inspection fee will be determined by the Town Engineer. In addition, in-house meetings with departments that deal with development to discuss the upcoming permit and the possibility of establishing a storm water utility have been held.
