The Town participates in the annual Earth Day activities, as well as, various designated beach clean up days.	Continue to invite the public to participate in Phase II activities including Earth Day activities and beach clean up days.
Revised					

2a. Additions

None at this time.

3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 10
3-1 Revised	Discharge Identification	Dir. of Municipal Maintenance	Discharges Identified	In Permit Year 9, the Town started to relocate and update the drainage system mapping.	In Permit Year 10, the Town will continue to locate and update the drainage system mapping on an as-needed basis.
3-2 Revised	Prohibition/ Enforcement	Board of Health	Report Prepared, Bylaws Amended	During Permit Year 9, the Town has not amended the bylaws to provide a mechanism for illicit discharge detection and elimination. During Permit Year 9, the Town started to draft an article.	In Permit Year 10, the Town will continue to work on stormwater article. The Town plans to present a stormwater article at the Fall 2012 Town Meeting.
3-3 Revised	Drainage Network Map	Town Planner	Map Produced	In Permit Year 9, the Town started to relocate and update the drainage system mapping.	In Permit Year 10, the Town will continue to locate and update the drainage system mapping on an as-needed basis.
3-4 Revised	Illicit Discharge Identification	Dir. of Municipal Maintenance	Y1. Illicit Discharges Quantified Y2. Ordinances adopted re: illicit discharges Y3. Elimination of illicit discharges ongoing & household hazardous collection program in place Y4. Elimination of most illicit discharges complete	During Permit Year 9, the Town has not taken any formal steps to identify illicit discharges. However, if an illicit discharge is discovered, the Town takes steps to eliminate the illicit discharge. The Town held an annual Hazmat Day on Saturday, May 7, 2011. The Hazmat Day is available to Wareham, Carver, and Marion residents on the first Saturday in May.	The Town plans to continue the annual Hazmat Day on the first Saturday in May. For illicit discharge detection, the Town will work on updating the drainage system mapping. Since the original drainage system map was produced, new subdivisions and developments with drainage systems have been built. These drainage systems will be added to the drainage system mapping.

3-7	Public Information	Dir. of Municipal Maintenance	Complaint File Completion and Maintenance	The Town produced educational flyers that educated residents about illicit discharges and made them available in various Town buildings. The Town does not have a specific complaint log for stormwater remediation. If a resident calls about an illicit discharge, the message is taken and the Director or Foreman is notified. They, in turn, investigate the call and determine ways to rectify the situation.	Continue educating residents about illicit discharges. Continue current practice of accepting stormwater and illicit discharge calls at the Municipal Maintenance office. The Director or Foreman will investigate the call and determine ways to rectify the situation.
Revised					

3a. Additions

None at this time.

4-3	Zoning Review	Town Planner	<ol style="list-style-type: none"> 1. Review bylaw, prepare findings report on necessary changes/amendments to bylaw, revise bylaw to incorporate necessary revisions 2. Institute site inspection procedures 3. Realize improved water clarity 4. Realize increased number of aquatic organisms in water bodies.
