## **Part II. Self-Assessment**

West Boylston instituted a Pay As You Throw program for municipal solid waste on July 1, 2009. Recycling went from 20% to 32%. This past year, the Town implemented Single-Stream recycling as well. Today, recycling levels continues at levels consistently above 30%.

West Boylston is committed to full compliance with its NOI.

Listed below are all of the activities that were required in the last year of the permit and the activities that have taken place. Activities that are not required at this time have not been listed. Details of those activities can be found in the Permit.

I thank the previous the Board of Health, the DPW, the School Department, the DCR's Water Quality Department, and the rest of the Municipal Team and other individuals that have contributed to this program.
