### Report 12 - Due May 1, 2015

#### Part II. Self-Assessment

The Town of Bourne has completed the required self-assessment on the annual compliance review for the Phase II Storm water Program. Our municipality is working towards compliance, however proving difficult. The Town has worked with a consultant to draft a comprehensive bylaw, however in the opinion of the working group this version of the bylaw would not be feasible to enforce. The Town's staff stormwater working group has worked with the Buzzards Bay National Estuary Program staff Bernie Taber and John Rockwell to revise the Subdivision control bylaw as a first phase to implementation to compliance. This is projected to be presented to the Planning Board the fall of 2015 for adoption. The Town's staff stormwater working group is continuing to pursue a combination of bylaw and subdivision regulations that will be enforceable and effective.

In accordance with the NPDES Phase II Storm water requirements, the following topics were also evaluated for the completion of the annual report.

- 1. Compliance with the minimum Storm water Phase II Regulatory requirements
- 2. Housekeeping maintenance for municipal operations
- 3. Drafting of storm water bylaw and revised subdivision regulations
- 4. Continue public education including restoring links on the Town's new website
- 5. Pollution Task Force/Oversight Committee continues to identify sources of pollution and seek funding and relief for the formulation of corrective actions
- 6. Board of Health's continuation of overseeing detection and resolution of illicit discharges.
- 7. The Integrated Solid Waste Management Department continues to fund curbside recycling, also household hazardous waste collection days. Also receives mercury items, waste oil, antifreeze and paint at residential recycling drop off center, and street sweepings and catch basin cleanings. Also distributes educational materials including re waste medications, also offers composting bins and rainbarrels.

1

# Part III. Summary of Minimum Control Measures

# 1. Public Education and Outreach

BMP ID#	<b>BMP Description</b>	Responsible Dept./Person	Measurable Goal(s)	Progress on Goal(s) – Permit Year 12	Planned Activities
10 "		Name		(Reliance on non-municipal partners indicated, if any)	
1-1	Establish an Advisory Committee	1. Town Administrator 2. Board of Selectman	• Task Force on Local Pollution appointed 3/30/04 as Phase II Stormwater Community Oversight	<ul> <li>Community Oversight Group meets monthly and is updated from time to time by the Town Staff Working Group.</li> <li>Education of Bourne residents through monthly meetings and literature table at Town Meeting.</li> </ul>	<ul> <li>Continue public education and outreach efforts.</li> <li>Continue a broad base of support for Phase II By-law</li> </ul>
Revised 1-1-a1	Advisory Committee /Community Oversight Group Activities	Advisory Committee/ Community Oversight Group	• Committee/Group  Members taking on  "homework assignments" monitoring sets of culverts and outfalls	Committee consists of 5 members.	<ul> <li>Advisory         Committee/Community         Oversight Group goal to be able to re-open some shellfish beds currently closed     </li> </ul>
1-1-a2	Committee training	Advisory Committee/ Community	• Training sessions attended	Attendance of various committee members at workshops sponsored by Buzzards Bay Coalition and EPA.	Recruit additional members
		Oversight Group			• Continue to attend trainings as available

1-2	Town publicity initiatives	1. Public Works Supt., 2. Integrated Solid Waste (ISWM) Manager 3. Stormwater Working Group 4. Board of Health 5. Police Dept. 6. Fire Dept.	Handouts and posters	<ul> <li>Posters at Public Buildings</li> <li>Regional Municipal Hazardous Waste Collections (4 times per year), flyers publicizing</li> <li>Municipal weekly curbside recycling</li> <li>7 day a week drop off center</li> <li>Used motor oil collection at drop off center.</li> <li>Paint collection Fridays and Saturdays April – Oct. at drop off center</li> <li>ISWM continues to publicize and offer rain barrels and compost bins to residents at a discount.</li> <li>Flyers distributed at Town Hall on proper application of lawn products, authored by Buzzards Bay Action Committee.</li> <li>Board of Health &amp; ISWM educate the public on how to dispose of unused medications properly, not down the drain.</li> <li>Police Dept: Unused medication collection bin (see 1a-1).</li> <li>Fire Department has implemented a medical wastes collection program.</li> </ul>	Continue these initiatives
1-3	Network with other Agencies	1. Supt. DPW 2. Other Town staff, e.g. Conservation Agent, BOH Agent, Planning Dept staff	Meet 2 times per year minimum.	<ul> <li>Participated with Cape communities through resources of Cape Cod Commission.</li> <li>Conservation Agent meets monthly with other members of Buzzards Bay Action Committee.</li> <li>Town Planner attends Cape Cod Commission-sponsored events and programs.</li> </ul>	<ul> <li>Work closely with Cape Cod Commission Group to share information and reduce costs.</li> <li>Work with Buzzards Bay National Estuary Program staff to get information out.</li> <li>Continue to work with Buzzards Bay Action Committee.</li> <li>Continue to utilize resources of Buzzards Bay National Estuary Program to seek Stormwater remediation construction funds.</li> <li>Continue networking</li> </ul>

1a-1	Proper Disposal of unwanted Medications (Crush Don't Flush)	Board of Health, ISWM, Police Department Barnstable County Hazardous Materials Program	Reduced concentration of medications & by-products in groundwater	<ul> <li>Board of Health displays and distributes flyers         (Think Twice About Unwanted Medication Disposal)         by Barnstable County Hazardous Materials Program         and UMass Cooperative Extension Service.         <ul> <li>ISWM website continues to instruct residents not             to flush pharmaceuticals down the drain.</li> <li>Collection bin for Unwanted Medications installed             in Police Station entrance, April 2014. Approx. 85             lbs collected this year for incineration at SEMASS.</li> <li>Link on Board of Health web page to Cape Cod             Extension Service pamphlet "How to Dispose of             Unwanted Medications."</li> </ul> </li> </ul>	Continue these initiatives.  Restore this link and improve labeling/instructions
1a-2	Health Fairs	Board of Health	Number of events	Town no longer hosting Health Fairs	
1a-3	General Stormwater information	Board of Health/ Town Planner		• Link on Board of Health web page to Cape Cod Extension Service info on Hazardous Waste & Water Quality, and fact sheet on Drinking Water Wells detailing sources of groundwater pollution including stormwater discharge	Restore these links and improve labeling/instructions.  Town Planner update education brochure, distribute at Town Meeting, Town website
