## **Part II. Self-Assessment**

*The Town of Lanesborough has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions.*

### Part III. Summary of Minimum Control Measures

#### 1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 13 (Reliance on non-municipal partners indicated, if any)	Planned Activities
1	Create a Stormwater Program	Department of Public Works, Planning Board, Conservation Commission, Board of Health, Board of Selectmen	Lanesborough will present to the public at a public meeting Lanesborough’s draft Comprehensive Stormwater Management Program.	Lanesborough continued to publicly review implementation of Lanesborough’s Comprehensive Stormwater Program.  A public workshop presentation was held in June 2007.	Lanesborough will continue to publicly review implementation of Lanesborough’s Comprehensive Stormwater Program.
Revised					
2	Create a Stormwater Program	Department of Public Works	Lanesborough will identify appropriate sources of funding assistance (SRF, 319 Grant Program, 604(b) Grant Program, Lakes & Ponds Grant Program, Source Water Protection Grant Program, Recycling Grant Program) and apply for assistance in implementing portions of Lanesborough’s Comprehensive Stormwater Management Program, including public education and outreach.	The Town has signed on as a partner to a MADEP 604b Water Quality Management Planning Program grant for Regional NPDES Phase II and is working with the Berkshire Regional Planning Commission (BRPC) as well as participating on the Working Group.  The Town DPW received \$3,000 of town funding to have infiltration tanks cleaned on Profile St. and possibly National St.	The Town will continue to seek funding sources.
Revised					

## 1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 13 (Reliance on non-municipal partners indicated, if any)	Planned Activities
3	Address specific groups	Department of Public Works	Distribute EPA and other relevant educational brochures to targeted audiences. Distribution points include Town Hall, Library, and Transfer Station.	The Town is in receipt of EPA educational materials on disc for easy printing and distribution. Brochures have been printed and made available at the Town Hall.  The Friends of Pontoosuc Lake distributed their biannual newsletter to a targeted mailing list and make available copies at various locations throughout Town.	Brochures will continue to be made available at the Town Hall.  The Friends of Pontoosuc Lake will distribute their biannual newsletter to a targeted mailing list and make available copies at various locations throughout Town.
Revised					
4	Target groups likely to impact storm water	Department of Public Works	Brochures targeting specific audiences and activities will be available. These target groups include homeowner and lawn maintenance activities, disposal of household waste, and pet maintenance.	See BMP 3	See BMP 3
Revised					
5	Identify alternative information sources	Board of Selectmen	Lanesborough will develop a website to post public meetings on water quality issues and links to water quality education sites at DEP and EPA.	Lanesborough has developed a town website: <a href="http://www.lanesborough-ma.gov">www.lanesborough-ma.gov</a> . Meeting minutes are posted. Links to Friends of Pontoosuc Lake and Berkshire Regional Planning Commission are also on the website, as well as links to recycling programs, the Commonwealth of Massachusetts, and other educational materials.	Lanesborough will continue to update the town website: <a href="http://www.lanesborough-ma.gov">www.lanesborough-ma.gov</a> .

## 1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 13 (Reliance on non-municipal partners indicated, if any)	Planned Activities
6	Identify alternative information sources	Board of Selectmen	The Friends of Pontoosuc Lake and the Housatonic Valley Association will be consulted and asked to provide educational data from their studies and educational programs for distribution to the Town residents. Distribution points can include town hall, library, local convenience stores, etc.	The newsletter, “Friends of Pontoosuc Lake” is published each spring and distributed to Town residents. The newsletter includes information about the meetings, lake maintenance, and project descriptions occurring at the lake.	The newsletter, “Friends of Pontoosuc Lake” will be published and distributed to Town residents.
Revised					
7	Promote Household Waste Recycling	Department of Public Works Board of Health	The Town of Lanesborough, the Board of Health, and the Northern Berkshire Solid Waste Management District will promote recycling and hazardous waste collection opportunities through brochure mailings.	The Town of Lanesborough has a mandatory recycling bylaw.  Numerous Paint Collection days where held through the Northern Berkshire Solid Waste District.	The Town of Lanesborough will continue to implement a mandatory recycling bylaw.  The Board of Selectmen will publicly announce dates for Bulky and Hazardous Waste Collection at Town Meeting and through physical and online postings.
Revised					NBSWD has numerous hazardous waste and paint collections that Lanesborough residents can participate in. Collection days are scheduled for April 30th in Cheshire, May 7th in Williamstown and May 14th in Hinsdale.

## 1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 13 (Reliance on non-municipal partners indicated, if any)	Planned Activities
8	Develop, conduct and document educational programs	Board of Selectmen Liaison	The Town of Lanesborough will appoint a liaison to the Hoosic River Watershed Association to disseminate information to the Towns on programs and activities.	The Town has not been able to meet with the appointed liaison for the Hoosic River Watershed Association within Permit Year 13.	The Town plans to meet with the appointed liaison for the Hoosic River Watershed Association.
Revised					
9	Promote Household Waste Recycling	Department of Public Works Board of Health	The Town of Lanesborough, the Board of Health, and the Northern Berkshire Solid Waste Management District will promote recycling and hazardous waste collection opportunities through brochures and mailings.	The Town of Lanesborough has a mandatory recycling bylaw.  Numerous Paint Collection days where held through the Northern Berkshire Solid Waste District.  Recycling continued within the past permit year on Saturday mornings. Recycling of tires, fluorescent bulbs, scrap metal and electronics is available.	The Town of Lanesborough will continue to implement a mandatory recycling bylaw.  The Board of selectmen will publicly announce dates for Bulky and Hazardous Waste Collection at Town Meeting and through physical and online postings. A phone number will be provided to residents to call with questions regarding disposal of hazardous waste.
Revised				Recycling information is also posted at the NBSWMD website <a href="http://www.nbswmd.org">www.nbswmd.org</a> . The homepage of the Town of Lanesborough website links to <a href="http://www.nbswmd.org">www.nbswmd.org</a> .	NBSWD has numerous hazardous waste and paint collections that Lanesborough residents can participate in. Collection days are scheduled for April 30th in Cheshire, May 7th in Williamstown and May 14th in Hinsdale.

## 2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 13 (Reliance on non-municipal partners indicated, if any)	Planned Activities
10	Storm drain stenciling	Department of Public Works	Lanesborough will work with the Housatonic Valley Association in continuing its support of storm drain stenciling.	The Town worked to identify opportunities for residents to contribute to the stormwater program, such as stormdrain stenciling and working with the Friends of Pontoosuc Watershed Association.	The Town will continue to work to identify other opportunities for residents to contribute to the stormwater program.
Revised					
11	Community clean-ups	Department of Public Works, Lanesborough Conservation Commission	Town of Lanesborough will encourage local stream team cleanups through Friends of Pontoosuc Lake. Town will provide notice of event.  Town will provide trucks and other material to support cleanup efforts and disposal of materials.	The Town provides trash pick-up service for the annual lake shore clean-up at Pontoosuc Lake.  Town wide clean up is held in the spring each year. During this reporting period the cleanup held on May 30, 2015 and 2 town trucks and 1 private truck were used to haul the waste.  The Town continues to encourage and support local stream cleanups.	A cleanup is planned for June 2016.  A cleanup is planned for May 2016.  The Town continues to encourage and support local stream cleanups.  Friends of Pontoosuc Lake intend to collaborate with the Town and the Highway Department to further implement stormwater watershed maintenance programs.
Revised					

## 2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 13 (Reliance on non-municipal partners indicated, if any)	Planned Activities
12	Organize Water Quality Monitoring	Board of Selectmen	Town will work with the Friends of Pontoosuc Lake in the collection and dissemination of data from the association’s monitoring and sampling program. Data will be made available to the public through newsletters and brochure distribution.	The Friends of Pontoosuc Lake Newsletter is published each spring and distributed to Town residents. The newsletter includes information about the meetings, lake maintenance, and project descriptions occurring at the lake.  Water quality monitoring continued at Pontoosuc Lake.	The Friends of Pontoosuc Lake Newsletter will be published and distributed to Town residents.  Water quality monitoring will continue at Pontoosuc Lake and results are made available through Friends of Pontoosuc Lake.
