Part II. Self-Assessment

The Town of Marblehead Water and Sewer Commission has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions.

The Town has continued to implement the Best Management Practices (BMPs) outlined in its Stormwater Management Plan, and has made significant progress toward improving stormwater management in Marblehead. As discussed in detail for each BMP in Part III below, the Town has completed many BMPs. The Town has continued to operate under its existing permit conditions pending permit renewal.

Part III. Summary of Minimum Control Measures
 1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 10 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future Permit Years
