## **Part II. Self-Assessment**

**2003**

**The Town of Litchfield has completed the required self-assessment and has determined that our municipality is in compliance with all the permit conditions.**

**We are ahead of schedule in many of our BMP areas. The Planning Board is complete with all town wide ordinance changes.**

**2004**

**The Town of Litchfield has completed the required self-assessment and has determined that our municipality is in compliance with all the permit conditions.**

**We are ahead of schedule in many of our BMP areas. The Planning Board is complete with all town wide ordinance changes.**

**2005**

**The Town of Litchfield has completed the required self-assessment and has determined that our municipality is in compliance with all the permit conditions.**

**2006**

**The town is on a default budget and the new GIS hardware and software were not purchased. This has not slowed down the Planning Boards work to get our town layers done as we have a very talented young man that has completed most of the tax map conversion. Looking for ways to streamline this process.**
