Subject: Salem, New Hampshire (NPDES# NHR041031)
NPDES Phase II Small MS4 General Permit
Sixth Annual Report (2008)

Dear Sir/Madam:

The Town of Salem, New Hampshire, is pleased to submit its Sixth Annual Report for coverage under the EPA's National Pollutant Discharge Elimination System (NPDES) Phase II Stormwater General Permit for Storm Water Discharges from Small Municipal Separate Storm Sewer Systems (MS4s) for the period from April 2008 to March 2009.

Please do not hesitate to contact Richard Russell, Director of Public Works, at 603-890-2154 or the writer at 603-890-2033 if you have any questions regarding this submittal.

Very truly yours,

Robert E. Puff Jr. P.E.
Director of Engineering
Town of Salem, NH

Part II. Self-Assessment

The Town of Salem has completed the required self-assessment and has determined that our municipality is in compliance with permit conditions, except for the following provisions:

Failed to submit Annual Report on or before May 1st. Submitted in June.

See Part III for status on BMPs.

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
1-1	Maintain Existing Watershed Signs at Canobie Lake	Dept. of Public Works	Maintain signs throughout permit term	Watershed marker signs were periodically checked during the permit year	BMP Completed Continue to maintain signs.
1-2	Broadcast Informational Stormwater Video on Local Television	Engineering Department	Broadcast video annually beginning with Permit Year 2	Stormwater video was broadcast on local television during permit year 5.	BMP Completed
1-3	Develop Stormwater Brochure	Engineering Department	Develop brochure by May 1, 2005	Copies of the EPA pamphlet/fact sheet "Protecting Water Quality from Urban Runoff" is available at the Town Hall front desk.	BMP Completed
	Brochure Available for Distribution	Engineering Department	Make brochure available at Town Hall and DPW by May 1, 2006 and distributed to students annually permit year 3 through 5	Copies of the EPA pamphlet/fact sheet "Protecting Water Quality from Urban Runoff" is available at the Town Hall front desk and at the DPW. Copies of EPA brochure entitled "Does Your Construction Site Need a Stormwater Permit?" is now available at the Town Hall front desk.	BMP Completed

1. Public Education and Outreach (cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
1-4	Stormwater Information added to Engineering Department's Website Maintain/update information on Engineering Department Website	Engineering Department Engineering Department	Stormwater information added to Engineering Department website by May 1, 2005 Update/maintain website during permit years 3 through 5	- Website was maintained as necessary.	BMP Completed BMP Completed Continue to update/maintain website.
1-5	Identify locations for 3 kiosks with stormwater bulletins Design Kiosks Install Kiosks Maintain Kiosks	Dept. of Public Works Engineering Department Dept. of Public Works Dept. of Public Works	Identify location for kiosks by May 1, 2004 Complete design of kiosks by May 1, 2005 Install kiosks by May 1, 2006 Maintain/update kiosks during permit years 4 through 5	- Completed design of kiosks - The EPA informational stormwater pamphlet was added to the kiosks. The kiosks were maintained as necessary.	BMP Completed BMP Completed BMP Completed BMP Completed Continue to update/maintain kiosks.

1. Public Education and Outreach (cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
1-6	Approach Private Beaches and the Mall at Rockingham Park about Installing Informational Kiosks	Dept. of Public Works	Approach private beach by May 1, 2006	-	BMP Completed Will continue to pursue high profile locations on Lakes for future kiosks.
	Coordinate Kiosk Installation if Approved	Dept. of Public Works	Kiosk installed within one permit year upon receiving approval	Salem Fire Department did not receive funding to build the kiosk.	-

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
2-1	Comply with State Public Notification Guidelines	Planning Board and other Town Departments	Post notices on all applicable meetings	The Town complied with the required state meeting notification guidelines.	BMP Completed Continue to notify public of meetings as necessary.
2-2	Publicize and Maintain Public Complaint Hotline and DPW Website	Dept. of Public Works	Maintain hotline and continue to respond to complaints from website	The Town maintained the hotline and electronic database and continued to respond to public complaints from website.	BMP Completed Continue existing procedure.
2-3	Hold Annual Household Hazardous Waste Day	Dept. of Public Works	Household hazardous waste collection day held each year. Amount of household hazardous waste collected.	Annual collection event was held on September 13, 2008. Approximately 1,739 gallons of hazardous household waste was collected.	BMP Completed Event scheduled for September 12, 2009.
2-4	Continue Mandatory Recycling Program	Dept. of Public Works	Continue existing recycling program throughout permit term	The recycling program was maintained throughout the Permit Year. Approximately 983.42 tons of recyclables was collected in 2008.	BMP Completed Continue existing program.
2-5	Schedule Annual Town Roadside Litter Clean-up Day	Dept. of Public Works	Schedule Clean-up day annually. Amount of roadside litter collected and properly disposed.	Annual collection event was held in April 2009. Approximately 5.67 tons of trash was collected.	BMP Completed Event scheduled for week in April 2010.

3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
3-1	Continue inspection of new/updated sewer connections	Dept. of Public Works	Continue inspection of all new/updated sewer connections. Number of sewer connections inspected.	Town inspected 79 new/updated sewer connections	BMP Completed Continue existing practices.
3-2	Identify Priority Areas	Dept. of Public Works	Priority areas identified by May 1, 2004	-	BMP Completed
3-3	Map Outfalls/Receiving Waters	Dept. of Public Works	Map completed by May 1, 2007	The Town Meeting in March 2008 appropriated funds for inventory/assessment of stormwater assets, to include mapping of catch basins and outfalls Town-wide.	The Stormwater Inventory and Assessment Project was initiated in 2008 after appropriation of funds. Work is ongoing with a consulting engineer (Stantec) and is anticipated to be completed by the end of the 2009 calendar year and will provide the Town with an updated mapping of outfalls and drainage assets.
3-4	Complete Dry Weather Screening of Outfalls	Dept. of Public Works	One round of outfall screening completed by end of permit term	Approximately 50 outfalls were located and screened in the upper Policy Brook Watershed in 2007.	The Stormwater Inventory and Assessment project will locate remaining outfalls with GPS and the outfalls will be screened. This work was initiated in 2008 and will continue in 2009 to the extent that appropriated funds will allow.

3. Illicit Discharge Detection and Elimination (Cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
3-5	Stormwater Ordinance	Dept. of Public Works	Draft stormwater ordinance/amendment language by May 1, 2007	Town Meeting in March 2009 appropriated funds, in part for the development and updating of a stormwater ordinance.	A Stormwater Ordinance is planned to be developed in conjunction with the selected consulting engineer. A draft ordinance is planned to be completed by the end of 2009.
3-6	Develop and Implement System for Elimination of Illicit Discharges	Dept. of Public Works	Based on prioritized results in BMP#3-4, determine procedures to identify and remove illicit connections to drain; maintain records	The Town Meeting in March 2008 appropriated funds for inventory/assessment of stormwater assets, which in part included the development of protocols for addressing outfall monitoring and illicit discharges.	Protocols will be developed in conjunction with BMP #3-4 as part of the Stormwater Inventory and Assessment project. It is anticipated that this project will be completed by the end of calendar year 2009.

4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
4-1	Continue to Implement Land Use Control Regulations which Require Erosion and Sediment Control at Construction Sites	Engineering Department	Continue to enforce regulations throughout permit term. Number of proposed development plans reviewed each year.	Regulations were enforced during the Permit Year 174 proposed development plans were reviewed in 2007	BMP Completed Continue to enforce regulations.
4-2	Maintain Procedures for Site and Subdivision Plan Review	Engineering Department	Continue to enforce regulations throughout permit site and subdivision plans reviewed each year.	Procedures were maintained during the Permit Year 174 site and subdivision plans were reviewed in 2007	BMP Completed Continue to enforce regulations.
4-3	Maintain Procedure for Collecting and Responding to Public Comments	Dept. of Public Works	Maintain hotline and continue to respond to complaints from website	The Town maintained the hotline and electronic database and continued to respond to public complaints from website.	BMP Completed Continue existing procedure.
4-4	Maintain Construction Site Inspections for Erosion Control	Engineering Department	Maintain existing procedure throughout permit term. All construction sites inspected each Permit Year.	The Town completed inspections as required for all construction sites in 2008.	BMP Completed Continue existing inspection procedure.
4-5	Amend Land Use Control Regulations to Include Construction Material Management	Engineering Department	Draft amendment to regulations by May 1, 2005. Implement upon approval.	-	BMP Completed

5. Post-Construction Stormwater Management in New Development and Redevelopment

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
5-1	Maintain Land Use Control Regulations which Require Post-construction Runoff Control for Construction Sites	Dept. of Public Works, Engineering Department and Planning Board	Continue to enforce regulations throughout permit term. Number of proposed development plans reviewed each year.	BMP addressed individually by project.	BMP Completed Continue to implement regulations.
5-2	Amend Land Use Control Regulations to Require Developers to Submit O&M Plans for Private Structural BMPs	Dept. of Public Works, Engineering Department and Planning Board	Draft amendment to regulations by May 1, 2005. Implement upon approval.	Draft amendment was completed.	Internal review of draft amendment.
5-3	Land Use Control Regulations Recommend a Structural BMP Manual for Use by Developers	Dept. of Public Works, Engineering Department and Planning Board	Continue to enforce regulations throughout permit term. Number of proposed development plans reviewed each year.	Developments with post-construction structural BMPs for runoff control were designed, at a minimum, to the practices as stated in the manual.	BMP Completed Continue to implement regulations.

6. Pollution Prevention and Good Housekeeping in Municipal Operations

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
6-1	Continue Street Sweeping and Residual Disposal Practices	Dept. of Public Works	Sweep all streets in Town at least once per year	Inspected all streets and swept as needed at least once. Residuals disposed of at a landfill.	BMP Completed Continue existing practices.
6-2	Continue Catch Basin Cleaning and Residual Disposal Practices	Dept. of Public Works	Clean 33% of catch basins in Town each year. All CBs inspected and/or cleaned on a three year rotating schedule.	Town Meeting in March 2008 appropriated \$ 100,000 for a Town-wide catch basin cleaning. DPW engaged an outside contractor to perform Town-wide catch basin cleaning with appropriated funds. Any remaining catch basins were cleaned by DPW forces. Work was completed by late fall of 2008.	DPW forces will continue catch basins cleaning.

6. Pollution Prevention and Good Housekeeping in Municipal Operations (Cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
6-3	Continue Salting and Snow Removal Practices	Dept. of Public Works	Continue existing practices throughout permit term	<p>Plans for a salt/sand storage facility have been completed. The Town has submitted a "Scope and Plan" for Salt Mitigation to the State of NH for approval. No funding for this work will be allocated until our plan has been approved. State approval of our "Scope and Plan" is not expected until end of the year.</p> <p>3 of 15 salt trucks are equipped with ground control spreaders. The town is waiting for approval of the "Scope and Plan" submitted to the State equip 5 new trucks that will be purchased this year.</p> <p>No snow was taken to the landfill in 2008.</p>	<p>Continue existing practices.</p> <p>Wait for State approval and funding of "Scope and Plan" for Salt Mitigation to construct the sand/salt storage shed and to purchase new equipment.</p>
6-4	Continue Vehicle Maintenance Practices	Dept. of Public Works	Continue existing practices throughout permit term	<p>Municipal vehicle maintenance was performed within the DPW garage. Practices include recycling/reusing, alternate products when possible, and absorbing compounds available in the event of a spill.</p>	<p>BMP Completed</p> <p>Continue existing practices.</p>

6. Pollution Prevention and Good Housekeeping in Municipal Operations (Cont.)

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 6 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Future
6-5	Continue Vehicle Washing Practices	Dept. of Public Works	Continue existing practices throughout permit term	<p>Municipal DPW vehicles were washed on a paved pad that allows water to percolate into a leaching basin. The vehicles are washed with water only or biodegradable soap.</p> <p>Plans for a truck wash down area have been completed. The Town has submitted a "Scope and Plan" for Salt Mitigation to the State of NH for approval. No funding for this work will be allocated until our plan has been approved. State approval of our "Scope and Plan" is not expected until end of the year.</p>	<p>Continue existing practices.</p> <p>Wait for State approval and funding of "Scope and Plan" to construct the truck wash down area and to purchase new equipment.</p>
6-6	Continue Maintenance Activities at Parks and Open Space	Dept. of Public Works	Continue existing practices throughout permit term	<p>The Town minimized the use of pesticides (only around Town buildings and the work is performed by a licensed contractor) and generally uses organic fertilizers.</p>	<p>BMP Completed</p> <p>Continue existing practices.</p>
6-7	Continue Hazardous Waste Storage and Employee Training	Dept. of Public Works	Continue existing practices throughout permit term	<p>The Town's practices include proper storage of hazardous materials, and the Fire Department has a Spill Prevention and Response Plan.</p>	<p>BMP Completed</p> <p>Continue existing practices.</p>

6-8	Develop/Implement employee education program	Dept. of Public Works	4 hours of stormwater related training during permit term for each appropriate employee	No training has been provided.	Town will provide 4 hours of training to DPW employees provided funding is appropriated in the Town's future budget.
