Completing Notice of Intent Assistance

U.S. EPA | STORMWATER TOOLS & RESOURCES

Presentation: Completing a “Notice of Intent (NOI) for Approval to Discharge” under the new Small Municipal Separate Storm Sewer Systems (MS4) General Permit

Small MS4 Permits in Massachusetts and New Hampshire go into effect on July 1, 2018. Within 90 days of that date (October 1, 2018) small MS4s in MA & NH (traditional and non-traditional) must submit an NOI to EPA for approval to discharge under this new permit.

Target audience

Managers and operators of traditional or non-traditional municipal separate storm sewer systems (MS4s), including Department of Public Works directors and staff, town counsel and elected officials.

What's covered

- Who must file an NOI?
- NOI submission requirements
- Using the interactive NOI template
- Completing an NOI section by section
- Eligibility determinations under the Endangered Species and National Historic Properties Acts
- The NOI submission process
