## Notice of Intent (NOI) for coverage under Small MS4 General Permit

### Part III: Stormwater Management Program Summary

Identify the Best Management Practices (BMPs) that will be employed to address each of the six Minimum Control Measures (MCMs). For municipalities/organizations whose MS4 discharges into a receiving water with an approved Total Maximum Daily Load (TMDL) and an applicable waste load allocation (WLA), identify any additional BMPs employed to specifically support the achievement of the WLA in the TMDL section at the end of part III.

For each MCM, list each existing or proposed BMP by category and provide a brief description, responsible parties/departments, measurable goals, and the year the BMP will be employed (public education and outreach BMPs also requires a target audience). **Use the drop-down menus in each table or enter your own text to override the drop down menu.**

Re: Historic Properties Effect Determination of West Newbury's MS4 Stormwater  
Management Program

---

The Town of West Newbury is planning an updated Stormwater Management program for compliance with the Municipal Separate Storm Sewer System (MS4) Permit issued by EPA and MassDEP, effective July 2018 for urbanized communities in the Commonwealth.

As part of the planning review of five-year activities, the Town of West Newbury through its Stormwater Working Group, and in consultation with the West Newbury Historical Commission, based on their review at a meeting on September 19, has determined that all stormwater facilities managed under the permit are existing facilities authorized by the previous permit. Activities proposed under the Town's MS4 management and maintenance program are not anticipated to involve subsurface land disturbance.

Based on our review, I certify on behalf of the Town of West Newbury the eligibility of the Town's MS4 Program Permit to use Criterion A in our Notice of Intent for MS4 permit coverage, based on our knowledge that municipal stormwater discharges do not have the potential to affect historic properties.

Signed,

Angus Jennings

Re: Documentation of Town of West Newbury's Determination of "No Effect" on Endangered Species or Critical Habitat of West Newbury's MS4 Stormwater Management Program

---

The Town of West Newbury is planning an updated Stormwater Management program for compliance with the Municipal Separate Storm Sewer System (MS4) Permit issued by EPA and MassDEP effective July 2018 for urbanized communities in the Commonwealth.

As part of the planning review of five-year activities, the Town of West Newbury through its Stormwater Working Group has reviewed resource lists provided by the U.S. Fish and Wildlife Service ("USFWS") and has determined that the Town's Stormwater program meets Criteria C for coverage by the MS4 Permit.

- 1) The Town's MS4 area contains the Northern Long-Eared Bat, one of the USFWS listed species;
- 2) The Town's Stormwater Working Group in its program assessment has determined the stormwater facilities managed under the permit are existing facilities authorized by the previous permit and that activities proposed under the Town's MS4 management & maintenance program are not anticipated to impact endangered species or critical habitat. EPA has documented consultation on the Massachusetts MS4 Program by letter from the USFWS New England Field Office dated January 8, 2018; and
- 3) The Town agrees that during the MS4 permit term, if the Town plans to install a structural BMP not identified in the Program Notice of Intent, the Town will conduct an endangered species screening for the proposed site and contact the USFWS if a proposed new activity "may affect" or is "not likely to adversely affect" listed species or critical habitat under the jurisdiction of the USFWS.

Based on the Stormwater Working Group's review as documented in the NOI preparation, I certify on behalf of the Town of West Newbury the eligibility of the Town's MS4 Program Permit to use Eligibility Criterion C in our Notice of Intent for MS4 permit coverage for Endangered Species Act Determination.

Signed,

Angus Jennings
