

Year 6 Annual Report
New Hampshire Small MS4 General Permit

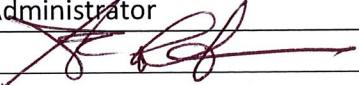

Reporting Period: July 1, 2023 - June 30, 2024

Town of Hooksett

EPA NPDES Permit Number NHR041012

Certification of Small MS4 Year 6 Annual Report

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

Small MS4 Authorization

The following annual report, which serves as a self-assessment, is intended to document the activities undertaken over the **reporting period from July 1, 2023, through June 30, 2024**, in accordance with the Permit.

The Notice of Intent (NOI) can be found at the following (document name or web address):

<https://www.epa.gov/npdes-permits/regulated-ms4-new-hampshire-communities>

Compliance activities have been identified and described in the Town of Hooksett's Stormwater Management Program Plan (SWMP) and Illicit Discharge Detection and Elimination (IDDE) Plan. Those documents and other pertinent Year 6 information can be found in submission or at the following websites, and will be referred to throughout this report:

SWMP: https://www.hooksett.org/Documents/Departments/Public%20Works/Stormwater%20Management%20Plan.pdf
Date SWMP was Last Updated: 9/26/2022
IDDE Program Plan: https://www.hooksett.org/Documents/Departments/Public%20Works/Illicit%20Discharge%20Detection%20and%20Elimination%20Plan.pdf
Updated System Map https://www.hooksett.org/Documents/Departments/Public%20Works/outfall_locations_map.pdf
Progress on Completion of System Map https://www.hooksett.org/Documents/Departments/Public%20Works/Drain%20Map.pdf
Updated SSO Inventory: See attached "CMOM report"
Updated Inventory and Ranking of Outfalls/Interconnections: https://www.hooksett.org/Documents/Departments/Public%20Works/Inventory%20and%20Ranking%20of%20OutfallsInterconnections.pdf
Dry Weather Screening Data: https://www.hooksett.org/Documents/Departments/Public%20Works/dry_weather_outfall_sampling.pdf
Wet Weather Screening Data: See attached "Yr 6 Wet Weather Screening" doc
Catchment Investigation Data: See attached "Yr 6 Catchment Investigation" doc.
System Vulnerability Factors: See attached "SVF Report" doc.
Illicit Discharge Removal Report: N/A
Results from additional stormwater or receiving water quality monitoring reports or studies: N/A

PTAP 2024 Nutrient Reduction Report: Not Applicable

Self-Assessment

Select the impairment(s) and/or TMDL(s) that are applicable to your MS4. Make sure you are referring to the [2020/2022 EPA approved Section 303\(d\) Impaired Waters List](#) which was used for the Year 6 reporting period and can be found on the [New Hampshire Department of Environmental Services \(NHDES\) webpage](#).

All **Appendix F and H requirements** can be found under “Appendix F and H: Water Quality Limited Waters & TMDLs” section of this report.

Impairment(s)		
<input type="checkbox"/> Bacteria/Pathogens	<input checked="" type="checkbox"/> Chloride	<input type="checkbox"/> Nitrogen
<input type="checkbox"/> Phosphorus	<input type="checkbox"/> Solids/Oil/Grease (Hydrocarbons)/Metals	
TMDL(s)		
<input checked="" type="checkbox"/> Bacteria and Pathogens	<input type="checkbox"/> Chloride	<input type="checkbox"/> Lake and Pond Phosphorus

Receiving Waters/Impaired Waters/TMDL

Have there been any changes to your lists of **receiving waters or impairments** since the NOI was submitted?

No

There have been no changes to the lists of **receiving waters or impairments** since the NOI submission.

Have there been any changes to your **list of outfalls** since the NOI was submitted?

No

The Town of Hooksett has not made changes to the **list of outfalls** since the NOI submission.

Describe progress made on any **incomplete requirements** listed above or optionally provide any additional relevant details, in the box below:

Not Applicable

Minimum Control Measures

MCM 1: Public Education

Total number of all MS4 related educational efforts completed ***during this reporting period:*** Three educational efforts

Were any of the messages below different than what was proposed in your NOI?

No.

BMP: Grass and Fertilizer

Outreach Resources:

Grass and fertilizer related flyers, mailers, postcards, videos and social media posts found on the [MCM #1 webpage](#) of the NH MS4 website.

Description:

Distribution and promotion of “Green Grass and Clean Water” **and/or** municipally created flyers, mailers, postcards, videos, **and/or** social media posts. “Green Grass and Clean Water” materials were produced by UNH Cooperative Extension, NH Sea Grant, and NHDES outlining simple recommendations to keep lawns healthy while reducing water quality impacts - including proper fertilizer techniques and disposal of grass clippings.

And

Town of Hooksett MS4 Display at the National Night Out and Old Home Day events. Posting on the town website about Green Grass & Clear Water.

Targeted Audience:

Residential and Businesses

Responsible Department/Parties:

Department of Public Works

Measurable Goal(s):

Residents that are lawn care enthusiasts understand the potential water quality impacts from fertilizer and improper disposal of grass clippings and are aware of the proper lawn care management techniques for reducing those impacts. Measurement includes quantity of materials distributed.

Following are the number of flyers, mailers, **and/or** postcards that were distributed ***during this reporting period:***

Year 6 = 27 of flyers

And

Town of Hooksett Campaign Metrics Year 6 estimated number of people who viewed display at both events was 150+ ***during this reporting period.***

Goal was achieved.

Message Date: 8/1/2023 (National Night Out), 9/16/2023 (Old Home Day), 4/1/2024 (posting on Town Website), 5/6/2024 (posting on Town Website)

BMP: Pet Waste Disposal

Outreach Resources:

Pet waste related flyers, mailers, postcards, and videos found on the [MCM #1 webpage](#) of the NH MS4 website.

Description:

Distribution and promotion of “Every Drop” **and/or** municipally created flyers, mailers, postcards, brochures, **and/or** videos with educational information about proper pet waste management, impacts of improper management, pet waste ordinance, and disposal requirements messaging. May include the “Every Drop” pledge to pick up pet waste to be made available during dog registration and other events or venues (veterinarians, dog training, groomers, etc.). Every Drop is a collaborative education effort with PREP, NHDES, and other partners.

And

Town of Hooksett MS4 Display at the National Night Out and Old Home Day events. Installation of dog waste stations located at Heads Walking Trail, Riverwalk Trail, and Dog Park. Posting on the town website about Pet Waste and Water Quality.

Targeted Audience:

Residents - Pet Owners

Responsible Department/Parties:

Department of Public Works

Measurable Goal(s):

Dog owners **and/or** dog walkers are aware of the potential water quality impacts from pet waste, local pet waste ordinances, and how to dispose of pet waste properly. If pledges are signed, there will be an increase of dog owners committed to picking up pet waste.

Following are the number of flyers, mailers, postcards, **and/or** brochures that were distributed ***during this reporting period:***

Year 6 = 36 of flyers

And

Town of Hooksett Campaign Metrics Year 6 estimated number of people who viewed display at both events was 150+ ***during this reporting period.***

Goal was achieved.

Message Date: Time of License Renewal and 8/1/2023 (National Night Out), 9/16/2023 (Old Home Day), 2/5/2024 (posting on Town Website), 3/4/2024 (posting on Town Website), 6/3/2024 (Posting on Town Website),

BMP: Disposal of Leaf and Grass Clippings

Outreach Resources:

Leaf and grass clippings related flyers, brochures, pledges, door hangers, and videos found on the [MCM #1 webpage](#) of the NH MS4 website.

Description:

Distribution and promotion of municipally created flyers, brochures, pledges, door hangers, and videos with messaging about impacts from yard waste to waterbodies, alternatives to dumping yard waste, and laws against dumping yard waste near or in waterbodies.

And

Town of Hooksett MS4 Display at the National Night Out and Old Home Day events and Town Website Postings.

Targeted Audience:

Residential

Responsible Department/Parties:

Department of Public Works

Measurable Goal(s):

Residents are aware of the water quality impacts of yard waste dumping near or in water bodies and safe alternatives for yard waste disposal.

Following are the number of flyers, brochures, and door hangers that were distributed ***during this reporting period.***

Year 6 = 42 of flyers

And

The Town of Hooksett Yard Waste Composting Campaign Metrics collection of 1,662 leaf litter bags from residents at the Hookset Transfer Station ***during this reporting period.***

And

Town of Hooksett MS4 Display at the National Night Out and Old Home Day events. Posted on town website material for backyard composting ***during this reporting period.***

Goal was achieved.

Message Date: 8/1/2023 (National Night Out), 9/16/2023 (Old Home Day), 10/2/2023 (Posting on Town Website)

BMP: Septic System Maintenance

Outreach Resources:

Septic system related brochures, letters, videos, **and/or** social media posts found on the [MCM #1 webpage](#) of the NH MS4 website.

Description:

Distribution and promotion of Get Pumped NH, EPA, **and/or** municipally created brochures, letters, videos, **and/or** social media posts educating New Hampshire homeowners with septic systems on how to identify, locate and maintain those systems. Get Pumped NH is a collaborated effort between the New Hampshire Association of Septage Haulers (NHASH) and the NHDES.

And

Town of Hooksett MS4 Display at the National Night Out and Old Home Day events and Town Website Postings.

Targeted Audience:

Septic System Owners

Responsible Department/Parties:

Department of Public Works

Measurable Goal(s):

Residents are aware of water quality impacts from septic systems, the importance of maintaining septic systems, and how to maintain them.

Following are the number of brochures and letters that were distributed ***during this reporting period:***

Year 6 = 32 of brochures

And

Town of Hooksett Campaign Metrics Year 6 estimated number of people who viewed display at both events was 150+ ***during this reporting period.***

Goal was achieved.

Message Date: 8/1/2023 (National Night Out), 9/16/2023 (Old Home Day), 9/18/2023 (Posting on Town Website)

BMP: Construction/Developers Outreach

Outreach Resources:

Construction/developers related letter and fact sheets found on the [MCM #1 webpage](#) of the NH MS4 website.

Description:

- Provide the Construction General Permit (CGP) outreach letter and fact sheets to developers, construction contractors, and other municipal or local organizations to educate them on the EPA 2022 Construction General Permit along with information on the selection, installation, and maintenance of construction related best management practices.

And

- Review the construction checklist with developers and construction contractors prior to the beginning of construction projects (pre-construction) to identify responsible parties, erosion control practices, other best management practices, and requirements for the EPA Construction General Permit as appropriate.

Targeted Audience:

Construction/Developers

Responsible Department/Parties:

Town Engineer and Department of Public Works

Measurable Goal(s):

Contractors, developers, and municipal or local organizations are made aware of the EPA 2022 Construction General Permit and its associated requirements including that those who wish to be considered a qualified person to conduct inspections must meet EPA training standards. Contractors, developers, and municipal or local organizations are also educated on how to properly select, install, and maintain construction related best management practices.

Following is the number of outreach letters that were distributed to contractors, developers, and municipal or local organizations ***during this reporting period:***

Year 6 = 18 letters

The Town of Hooksett held eight pre-construction meetings, representing 100% of projects that received planning board approval and began construction ***during this reporting period.***

Goal was achieved.

Message Date: 6/26/2024

Describe progress made on any **incomplete requirements** listed above **or** optionally provide any additional relevant details, in the box below:

Not Applicable

MCM 2: Public Participation

- Provided an opportunity for public participation in review and implementation of SWMP and complied with State Public Notice requirements as described in the Town of Hooksett SWMP.
- Kept records relating to the permit for 5 years and made available to the public.

Describe the opportunity provided for public involvement in the development of the Stormwater Management Program (SWMP) ***during this reporting period:***

Description:

The Stormwater Management Program (SWMP) was publicly reviewed at The Town of Hooksett's National Night Out and Old Home Day events. Documents and records relating to the permit are retained and available for 5 years to the public at The Town of Hooksett's Website

Was this opportunity different than what was proposed in your NOI?

- No.

Measurable Goal(s):

Input was received and records are maintained.

Goal was achieved.

Describe any other public involvement or participation opportunities conducted ***during this reporting period:***

Public involvement or participation opportunities are ancillary to daily operations.

Describe progress made on any **incomplete requirements** listed above or optionally provide any additional relevant details, in the box below:

Not Applicable

MCM 3: Illicit Discharge Detection and Elimination (IDDE)

Sanitary Sewer Overflows (SSOs)

- The SSO inventory has been updated, including the status of mitigation and corrective measures implemented or was addressed and can be found in submission.

Below, report on the number of SSOs identified in the MS4 system and removed:

Number of SSOs identified ***during this reporting period:*** 2

Number of SSOs removed ***during this reporting period:*** 0

MS4 System Mapping

- Updated **Phase 1** system map due in Year 2 as necessary:

Provide additional status information regarding your map:

Phase 1 map of storm sewer system and associated outfalls was completed in Year 2 and there have been no updates since that time.

- Updated **Phase 2** system map (due in Year 10):

Percent of Phase 2 map completed: 0% as of June 30, 2024.

Provide additional status information regarding your map:

Map of storm sewer system, catchments, and related elements was completed in Year 2 and there have been no updates since that time.

Screening of Outfalls/Interconnections

Dry Weather Screening

No outfalls were inspected for dry weather screening ***during this report period***.

Below, report on the number of outfalls screened in the MS4 system:

Number of outfalls/interconnections screened ***during this reporting period***: 0

Percent of total known outfalls/interconnections screened ***to date (Year 1 – Year 6)***: 90%

The inventory and ranking of outfalls/interconnections was not updated during Year 6 because outfalls/interconnections were not inspected.

Wet Weather Screening

Wet weather outfall/interconnection screening data can be found in submission

Number of outfalls screened *during this reporting period*: 16

Percent of total known outfalls/interconnections screened *to date (Year 1 – Year 6)*: 89% of identified outfalls meeting criteria for wet weather testing

Catchment Investigations

No catchment investigations were conducted ***during this report period***. Catchment investigations include investigations associated with Problem, High Priority, and Low Priority Outfalls/Interconnections within the MS4 regulated area.

Percentage of total catchments investigated ***to date (Year 1 - Year 6)***: 90%

IDDE Progress

No illicit discharges were found ***during this reporting period***.

Number of illicit discharges identified ***during this reporting period***: 0

Number of illicit discharges removed ***during this reporting period***: 0

Estimated gallons of flow removed ***during this reporting period***: 0 gallons/day

Total number of illicit discharges identified ***since the effective date of the permit (July 1, 2018 – June 30, 2024)***: 0

Total number of illicit discharges removed ***since the effective date of the permit (July 1, 2018 – June 30, 2024)***: 0

Employee Training

Provided training to employees involved in IDDE program ***during this reporting period:***

The Town of Hooksett held an IDDE training session for municipal staff on 3/6/2024. In addition, The Town of Hooksett routinely provides IDDE materials and training, including information on how to identify illicit discharges and SSOs are made available to applicable employees in accordance with IDDE Program Plan. Training logs are included in Appendix F of the IDDE Program Plan.

Describe progress made on any **incomplete requirements** listed above or optionally provide any additional relevant details, in the box below:

Not applicable

MCM 4: Construction Site Stormwater Runoff Control

The following tasks are in progress in accordance with the permit:

Number of site plan reviews completed ***during this reporting period:*** 8

Number of inspections completed ***during this reporting period:*** 181

Number of enforcement actions taken ***during this reporting period:*** 15

The Town of Hooksett works closely with contractors to address environmental concerns for the least environmental impact.

Describe progress made on any **incomplete requirements** listed above or optionally provide any additional relevant details, in the box below:

Not Applicable

MCM 5: Post-Construction Stormwater Management in New Development and Redevelopment

Ordinance or Regulatory Mechanism

- The Town of Hooksett has a regulatory mechanism(s) consistent with permit requirements.
Date regulatory mechanism(s) was adopted: 12/23/2023. The regulatory document can be found at:
<https://www.hooksett.org/Documents/Departments/Community%20Development/Town%20of%20Hooksett%20Development%20Regulations%20REVISED%20June%202024%20-%20corrected%20typo.pdf>

As-built Drawings

Number of as-built drawings received *during this reporting period*: 5

Street Design and Parking Lots Report

- The **Assessment Report** was evaluated and updates were recommended *during this reporting period*. Following are the recommended updates: Town of Hooksett Planning Board recommended to make changes to allow harvesting of excess stormwater for non-potable use on site. The date of completion for updates was 12/23/2023.
- Updates were recommended and made to **Local Regulations and/or Guidelines during this reporting period**. Following are the recommended updates: The Town of Hooksett Planning Board recommended to make changes to allow harvesting of excess stormwater for non-potable use on site. This was completed and took effect on 12/23/2023.

Green Infrastructure Reports

- The **Assessment Report** was evaluated and updates were recommended *during this reporting period*. Following are the recommended updates: Town of Hooksett Planning Board recommended to make changes to allow green roof designs. The date of completion for updates was 12/23/2023

Updates were made to the **Local Regulations during this reporting period**. Town of Hooksett Planning Board recommended to make changes to allow green roof designs. The date of completion for updates was 12/23/2023

Retrofit Properties Inventory

The Town of Hooksett has identified the remaining permittee-owned properties that could be modified or retrofitted with BMPs to mitigate impervious areas and of which are included in the list below: List of MS4 Properties

<u>Location</u>	<u>NH GIS ID</u>
31 Mount St Marys Way	07107-14-1-1
16 Main Streer	07107-08-33
Legends Drive	07107-25-80-2
18 Beacon Hill Rd	07107-43-46-7
15 K Avenue	07107-08-34
1 Riverside St	07107-08-34
Eqawes Drive	07107-18-3-2
4 Veterans Drive	07107-09-37
Hooksett Rd	07107-14-34
Cemetery Rd	07107-30-50
199 Londonderry Turnpike	07107-36-42-7
16 Pleasant Street	07107-06-2
2551 North River Rd	07107-33-68

List of Non-MS4 Properties: None

The Town of Hooksett has modified or retrofitted the following MS4 **and/or** Non-MS4 properties with BMPs to mitigate impervious area that were inventoried as part of 2.3.6.e of the permit. Following is a list of the properties that were modified or retrofitted as well as the type of BMP(s) that were implemented:

List of MS4 Properties: None

List of Non-MS4 Properties: None

Describe progress made on any **incomplete requirements** listed above **or** optionally provide any additional relevant details, in the box below:

Not Applicable

MCM 6: Good Housekeeping

Catch Basin Cleaning

- Stored and disposed of catch basin cleanings so they did not discharge to receiving waters.
- Report on the actions taken if a catch basin sump is more than 50% full during two consecutive routine inspections/cleaning events:
No actions were taken because no catch basin sums were more than 50% full during two consecutive routine inspections/cleaning events.

Number of catch basins inspected ***during this reporting period:*** 79

Number of catch basins cleaned ***during this reporting period:*** 37

Total volume **or** mass of material removed from **all** catch basins ***during this reporting period:*** 122 cf

Total number of catch basins within the MS4 system: 2832

Street Sweeping

- Stored and disposed of street sweepings so they did not discharge to receiving waters.
- All curbed roadways were swept at least once within the reporting period.

All curbed roadways were **not** swept at least once ***during this reporting period.*** The Town of Hooksett did not have the personnel to perform street sweeping during this reporting period but did perform sweeping of all curbed roadways the month of September 2024.

Number of (lane) miles swept ***during this reporting period:*** 0

Stormwater Pollution Prevention Plan (SWPPP)

The Town of Hooksett has implemented SWPPPs for all permittee owned or operated maintenance garages, public works yards, transfer stations, and other waste handling facilities that are not currently covered under another NPDES Permit.

Number of site inspections completed for ***during this reporting period:*** 4

Number of corrective actions taken ***during this reporting period:*** 1

Describe any corrective actions taken at a facility with a SWPPP:

Recycle and Transfer Facility retention pond outfall - repairs made around outfall pipe due to erosion, cleaned out debris in effluent swale and replaced with clean erosion stone.

Operations and Maintenance (O & M) Programs

- O&M programs for all permittee owned facilities have been completed and/or updated as noted below:
 - Implemented all maintenance procedures for permittee owned facilities in accordance with O&M programs.
 - Updated inventory of all permittee owned facilities as necessary.

All permittee owned facilities, including an inventory, are included in our SWMP. There were no changes to report during Year 6.
- Implemented program for MS4 infrastructure maintenance to reduce the discharge of pollutants as outlined in the SWMP.
- Inspected all permittee owned treatment structures (excluding catch basins) as outlined in the SWMP.
- Enclosed all road salt storage piles or facilities and implemented winter road maintenance procedures to minimize the use of road salt as outlined in the SWMP.

Describe progress made on any **incomplete requirements** listed above or optionally provide any additional relevant details, in the box below:

Street sweeping was not completed during year 6 for this report due to staffing issues. The town completed sweeping of all curbed roadways totaling 45.3 lane miles during the month of September 2024. All swept material collected was stored and properly disposed of.

Appendix F and H: Water Quality Limited Waters & TMDLs

Bacteria/Pathogens Impairment (Appendix H) AND TMDL (Appendix F)

- Annual message was distributed encouraging the proper management of pet waste, including noting any existing ordinances where appropriate ***during this reporting period***.
- Permittee or its agent(s) disseminated educational material to dog owners at the time of issuance or renewal of dog license, or other appropriate time ***during this reporting period***.
- Provided information to owners of septic systems about proper maintenance in any catchment that discharges to a water body impaired for bacteria ***during this reporting period***.

Describe progress made on any **incomplete requirements** listed above or optionally provide any additional relevant details, in the box below:

No Applicable

Chloride Impairment (Appendix H)

- Permittee **has** a chloride impairment.
- Fully implemented Salt Reduction Plan which can be found at the following website
https://www.hooksett.org/Documents/Departments/Public%20Works/salt_reduction_plan_1.pdf

The Municipal Green SnowPro Certification Program's (Program) rules and regulations were approved and adopted in 2024. The Program anticipates they will be ready to accept voluntary applications from municipalities in fall of 2024.

- Reported amount of salt applied to all municipally-owned and maintained surfaces by completing the New Hampshire DES Annual Salt Usage reporting form and submitting it to NHDES, and can be found in submission. The UNH Technology Transfer Center online tool is non-functional and has been for several years.

Describe progress made on any **incomplete requirements** listed above **or** optionally provide any additional relevant details, in the box below:

Not Applicable

Nitrogen Impairment (Appendix H)

- Permittee **does not** have a nitrogen impairment.

Phosphorus Impairment (Appendix H)

- Permittee **does not** have a phosphorus impairment.

Solids, Oil and Grease (Hydrocarbons), or Metals Impairment(s) (Appendix H)

- Permittee **does not** have a solids, oil and grease, or metals impairment(s).

Chloride TMDL (Appendix F)

- Permittee **does not** have a chloride TMDL.

Lake and Pond Phosphorus TMDL (Appendix F)

- Permittee **does not** have a lake and pond phosphorus TMDL.

Annual Report Submission

Your completed Annual Report and all associated documents must be sent to EPA by **September 30, 2024**. It is optional to send your completed Annual Report to NHDES as well.

Your Annual Report can be submitted either by email or mail:

Submittal Method	EPA	NHDES (Optional)
Email (preferably in pdf with all attachments as separate documents)	stormwater.reports@epa.gov	Deborah.S.Loiselle@des.nh.gov
Mail (postage)	Michelle Vuto US EPA– 06-4 5 Post Office Square, Suite 100 Boston, MA 02109	Deborah Loiselle Watershed Management Bureau 29 Hazen Drive; PO Box 95 Concord, NH 03302-0095
