CONSENT FOR ACCESS TO PROPERTY

NAME: Aerovox Facility

ADDRESS OF PROPERTY: Belleville Avenue, New Bedford, Massachusetts (Map 112, Lot 88)

I (We) consent to the employees or other authorized representatives of the United States Environmental Protection Agency ("EPA") entering and having continued access to the above-referenced property for the purposes listed below.

- to survey the property to establish property boundaries and ground elevations
- to walk through the property and inside the buildings to establish access and equipment requirements for the removal of sediments from the New Bedford Harbor, for demolition of the building(s) on the property, and to address the existing cap and sheet pile wall
- to collect samples of sediment, soil and groundwater for chemical and physical analyses
- to install and operate air monitoring stations
- to mobilize, demobilize and store dredge pipe and other associated dredging equipment on the property other than inside the existing buildings for use in remediation of New Bedford Harbor
- to excavate and remove PCB-contaminated soil or sediment as necessary from the property, including the shoreline area of the property.
- to carry out remediation activities for the existing building(s) on the property, including demolition and capping activities.
- to restore the areas of impacted shoreline
- to monitor the long term success of restored areas and to take corrective measures as may be required for restoration.

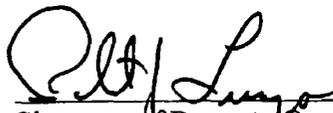

EPA shall coordinate these tasks with City representatives during the remediation activities for New Bedford Harbor and for the Aerovox facility itself. EPA will give the City reasonable notice before the above activities begin.
