INTRODUCTION

This document is the Index to the Administrative Record for the Auburn Road Landfill National Priorities List (NPL) site. Section I of the Index cites site-specific documents, and Section II cites guidance documents used by EPA staff in selecting a response action at the site.

The Administrative Record is available for public review at EPA Region I's Office in Boston, Massachusetts, and at the Londonderry Public Library, 276 Mammoth Road, Londonderry, New Hampshire. *This Administrative Record does not include documents in the March 29, 1989 Administrative Record (September 29, 1989 Record of Decision) for this NPL site.* Questions concerning the Administrative Record should be addressed to the EPA Region I site manager.

The Administrative Record is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).
