Introduction to the Collection

This is the Administrative Record for the Beede Waste Oil, Plaistow, New Hampshire, Third De Minimis Settlement. This Administrative Record was compiled on January 13, 2004 and subsequently released on CD-ROM in July 2009.

This Administrative Record contains site-specific documents and a list of guidance documents used by EPA staff in determining that a De Minimis settlement, pursuant to Section 122(g) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA)¹, 42 U.S.C. § 9622 (g), is practicable and in the public interest. These documents were also employed by EPA Region I in making party-specific findings with regard to the relative amount and toxic or other hazardous effects of the substances contributed by each party. In making these determinations, EPA also relied on information referenced in or appended to the documents listed in this index. Information so referenced or appended is incorporated by reference into this Administrative Record.

Please note, that due to the voluminous nature of the Administrative Records, EPA encourages you to access them electronically. All four of the Administrative Records listed under Sections 2.0 and 3.0, and many of the other materials listed in this Index are available at <http://www.epa.gov/region01/superfund/sites/beede> and from the EPA Records Center or the Plaistow Public Library.
