

PUBLIC NOTICE

SAVE THE DATE

You are invited to attend an Informational Meeting for the Beede Waste Oil Superfund Site in Plaistow, NH.

The EPA will provide updates on the implementation and start of treatment operations for residual contamination in deep soils under the former lagoon area of the Beede Site. This treatment will prevent further leaching of contaminants into groundwater and protect public health and the environment.

TUESDAY
MARCH 24, 2015
6 PM

PLAISTOW PUBLIC LIBRARY
MARY NELSON ROOM

85 Main St.
Plaistow, NH 03865

Questions may be sent to Cheryl Sprague (sprague.cheryl@epa.gov).
