Mr. Dennis aRusso  
Rhode Island Solid Waste Management Corporation  
Central Landfill  
65 Shun Pike  
Johnston, RI 02919

RE: Central Landfill RI/FS OU2 Wetland Delineation Work Plan,  
December 1992.

Dear Mr. aRusso:

The Environmental Protection Agency has reviewed the Wetland Delineation Work Plan submitted in January 1993. EPA approves the plan with the following conditions:

- 1) Rhode Island D.E.M. approval be obtained.
- 2) The Adamus WET 2.0 method should be used only as a basis for the wetland functional assessment. Further interpretation by a qualified wetland scientist is required.
- 3) Show both the State and Federal delineations on the wetland boundary map.

If you have any questions please feel free to call me at (617) 573-5779.

Sincerely,

James M. Brown  
Remedial Project Manager  
Rhode Island Superfund Section
