RE: Central Landfill Superfund Site, Johnston, Rhode Island
Response Summary for RIDEM's Comments to the Delineation of Groundwater
Contamination Emanating from the OU1-Area, Technical Memorandum

Dear Mr. aRusso:

The Office of Waste Management has conducted a review of the *Response Summary for RIDEM's Comments to the Delineation of Groundwater Contamination Emanating from the OU1-Area, Technical Memorandum*, dated September 1996 for the Central Landfill Superfund Site located in Johnston, Rhode Island. Based on the review, this Office approves of the proposed method which will be utilized to identify the area in which groundwater use will be restricted as a result of the contamination emanating from Operable Unit 1.

If you have any questions or comments please feel free to contact myself or Matt DeStefano at (401) 277-3872.

Sincerely,

Laurie A. Sclama, Engineer
Office of Waste Management
