Dear Ms. Krasko;

I am writing with reference to the Centredale Manor Restoration Project. I attended a public meeting 2 weeks ago and understood that a portion of the Contaminated material will be placed on property close to the Near Shore or Upland Confined Disposal Facility.

We have 2.5 acres of land that can be purchased for this project, the property after installing berms will hold approximately 50,000 cys. of material.

Please contact Leonard Pezza [REDACTED]
