INTRODUCTION

This is the Administrative Record Index for the Second Explanation of Significant Differences (ESD) to the Fletcher's Paint Works & Storage Facility Superfund Site (Site) in Milford, New Hampshire, Operable Unit One [OU1 (Site Evaluation/Disposition)]. The Second Explanation of Significant Differences (ESD) was released October 2010. Section I of the Index cites site-specific documents.

This file includes, by reference, the Administrative Record for the Fletcher's Paint Works & Storage Facility, Record of Decision (ROD), issued on January 10, 1997, Record of Decision (ROD), issued on September 30, 1998, Explanation of Significant Differences (ESD), issued on March 14, 2001, and the Amended Record of Decision (AROD), issued on June 15, 2009.

The Second Explanation of Significant Differences (ESD) is available for public review at:

An Administrative Record is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that the compact disc(s) (CD) containing this Administrative Record may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and key word searches across all the files contained on the CD. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the Administrative Record for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the Administrative Record. This metadata is provided as a convenience for the user and is not part of the Administrative Record.

Questions about this Administrative Record file should be directed to the EPA New England site manager.
