Introduction to the Collection

This is the Administrative Record file for the Fletcher's Paint Works & Storage Superfund Site, Milford, New Hampshire, Removal Action compiled November 19, 1991. The file contains site-specific documents and a list of guidance documents used by EPA staff in selecting a response action at the site. The proposed actions include installing a fence and disposal of laboratory containers.

The Administrative Record file is available for review at:

EPA New England OSRR Records and Information Center

An Administrative Record file is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that the compact disc(s) (CD) containing this Administrative Record may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and key word searches across all the files contained on the CD. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the Administrative Record for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the Administrative Record. This metadata is provided as a convenience for the user and is not part of the Administrative Record.

Questions about this administrative record file should be directed to the EPA New England Remedial Project Manager.
