MEMORANDUM

SDMS DocID 476677

Superfund Records Center

SITE: W.R. GRACE

BREAK: 17.1

OTHER: 476677 RELEASABLE

Date: January 26, 2011

Subject: Attached site Photographs - W. R. Grace (Acton Plant) Superfund site,
Acton & Concord, MA

From: Derrick Golden, Remedial Project Manager
Massachusetts Superfund Section 

To: File - EPA /Remediation & Restoration Branch I

The purpose of this memo is to provide a description of the attached photographs.

These photographs depict the initial construction of the Landfill Area groundwater treatment building at the W.R. Grace (Acton Plant) Superfund site.

These two photographs were taken by Mr. Thor Helgason from De Maximis in November of 2010.
