Introduction

This document is the Index to the Administrative Record for the McKin National Priorities List (NPL) site. Section I of the Index cites site-specific documents, and Section II cites guidance documents used by EPA staff in selecting a response action at the site.

The Administrative Record is available for public review at EPA Region I's Office in Boston, Massachusetts, and at Gray Public Library, 5 Skilling Street, Gray, Maine. A Supplemental volume has been added to this Administrative Record. Questions concerning the Administrative Record should be addressed to the EPA Region I site manager,

The Administrative Record is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

This document was prepared under EPA's TES 6 prime contract (#68-W9-0003) for EPA Region I. American Management Systems, Inc. prepared the document under a subcontract (#I-635-999-AMS) with Alliance Technologies Corporation.
