## Introduction to the Collection

This is the Administrative Record for the Mottolo Pig Farm Superfund Site, Raymond, New Hampshire Record of Decision (ROD). This Administrative Record was compiled on December 11, 1990 and subsequently released on CD-ROM in August 2010. This Administrative Record contains site-specific documents and a list of guidance documents used by EPA staff in selecting a response action at the site. Supplemental/Addendum volumes may be added to this Administrative Record.

The Administrative Record is available for review at:

An Administrative Record is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that the compact disc(s) (CD-ROM) containing this Administrative Record may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and key word searches across all the files contained on the CD-ROM. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the Administrative Record for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the Administrative Record. These metadata are provided as a convenience for the user and are not part of the Administrative Record.

Questions about this Administrative Record should be directed to the EPA New England Site Manager.
