

EXCERPTED from Minutes of meeting:

MOTIONS:

Councillor Alves MOVED that the EPA provide the members of the Ordinance Committee with information as to the operational procedures to be used at the Sawyer Street burnsite and that questions, comments, and concerns from members of the HATR be responded to. This was seconded and PASSED.

Councillor Kalisz MOVED that this information be furnished to the Board of Health of the City of New Bedford and to the Director of the Board of Health, Dr. Norman C. Telles. This was seconded and PASSED.

Councillor Kruger MOVED that the answers to the questions that she posed to Mr. Sebastian relative to the incineration, proliferation and transportation of the PCB's be provided to the Councillors without delay in order that they may have the information prior to any future meetings regarding this matter. This was seconded and PASSED.

Councillor Alves MOVED that the EPA furnish this information to the Councillors-Elect, as well as to the Councillors at this date, the Board of Health and its Director, Dr. Telles. This was seconded and PASSED.

Councillor Barros asked that this information be forwarded in layman's language in order that it may be readily understood without having to continually refer to the dictionary for explanations. This was acceptable to the maker of the previous motion that this be made a part of his motion.

Councillor Kruger MOVED that Legal Counsel be requested to draft an ordinance which would prohibit the construction of an incinerator for the burning of PCB's in New Bedford. This was seconded and PASSED.
