Re: COM/Electric Drawing Showing Electrical Facilities

Dear Mr. Dickerson:

As per your request of 12/31/96 for a drawing showing COM/Electric's electrical facilities, I am enclosing a scaled aerial photo showing the extremes of our cable crossings in the Acushnet River. If more information is required, we would be glad to accommodate your request if you provide us with a larger scale drawing showing location of the proposed CDF's.

I also would like to schedule a meeting to discuss EPA's proposed cleanup method and to discuss COM/Electric's comments of January 30. You can contact me at (508) 291-0950, extension 3964 or e-mail at perryd@comelectric.com.

Sincerely,

Dennis M. Perry
Project Manager
