Dear Dr. Brown,

Enclosed is a set of documents that are being distributed to all members of the Sea Change, Inc. review panel for phase 2 of the New Bedford Harbor Superfund site cleanup. 7. Army Corps Engineering Feasibility Study - Report 11

I look forward to meeting you on November 14. If you have any questions in this regard please do not hesitate to contact me as (617) 573-5735.

Sincerely,

David Dickerson,  
Remedial Project Manager
