RE: Marine Archaeological Documentation and Assessment, New Bedford Harbor Superfund Site, Unanticipated Shipwreck Discovery, New Bedford Upper Harbor, Acushnet, Massachusetts. MHC #RC.17682

Dear David:

Recent review of MHC's files indicates that MHC has not received a second paper copy of the final technical archaeological report referenced above.

Please promptly provide MHC with this item so that the results of your investigation can be incorporated into MHC's files.

Thank you in advance for your cooperation. If you have any questions, please contact Anna Hayden at this office.

Sincerely,

Edward L. Bell
Senior Archaeologist
