MEMORANDUM

DATE: April 29, 2008  
SUBJ: New Bedford SPIDER DVDs  
FROM: Joan Buonopane, CSRR  
TO: Man Chak Ng, OES

I am sending you the three SPIDER DVDs of New Bedford cost documents. The DVDs contain documents for costs incurred through December 4, 2007. As we discussed, a portion of the documents for costs prior to April 1990 are not on the DVDs; they are in the process of being scanned into SCORPIOS, and we can burn new DVDs for those earlier documents as necessary.

As you know, the DVDs cannot be released to the parties until the confidentiality agreement or protective order is in place. I will need a copy of either document for my files.

With regard to using the DVDs, I clicked on the following and had no problem accessing the files:

D:\New Bedford\AutorunPro.exe

You requested one DVD for eventual release to the parties in the course of negotiations; the other two copies were for DOJ and the state (if necessary). Please let me know if you have questions or need anything else.
