Hope everyone had a nice Memorial Day weekend. In case your mind is so relaxed that you forgot about work entirely, this is a reminder that we are meeting again this Thursday at 9 am. We will be in the same room (15th floor, Courtroom No. 6). I asked for a circle or rectangle table arrangement to try to improve the sound, but we can always rearrange if this doesn't work. The room is reserved until 3 pm, and I suspect people will come and go as happened last week. Let's plan to take a short break for lunch around noon -- we can decide then if we all need a longer break to eat out or if we want to keep things moving and bring lunch back to the room.

Here is the attendance sheet from last week's meeting.

This meeting will be a continuation of last week's meeting with the Commonwealth and its consultants, Chet and Jay from Apex. I believe Apex will be providing additional information in response to some of the questions/concerns raised at the last meeting. As we discussed, this will be an ongoing process, with a weekly meeting, as necessary, as we move towards June 30.

While I don't want to overload Chet and Jay, if you have additional questions you would like to bring up on Thursday, I can collect them and provide to the Commonwealth.

Thanks to everyone for your patience and perseverance --
