Dear Chet,

The Commonwealth's revised ARARs letter refers several times to an "Appendix A," but I can't seem to find it. Can you tell me where it is located?

Thanks,  
Ann

Hi Ann and Carl,

Attached please find the Commonwealth's responses to EPA's May 21, 2012, May 25th e-mail, and May 29, 2012 letters.

Also attached please find the Commonwealth's revised ARARs letter.

Finally, please find a letter from Siemens, who have reviewed two potential alternate configurations (deemed Configuration A and Configuration B), each of which would result in 28 acres for the proposed facility (replacing the 2.4 acres that are not available), and indicating that either would be acceptable for use as a offshore renewable energy staging facility. Drawings showing the two potential configurations are also attached.

Please note that the attachments referred to in the document will be delivered shortly to EPA.

Thanks!
