New Bedford, MA

DEC 9 4 1987

REGION I
OFFICE OF REGIONAL COUNSEL

The City of New Bedford will hold a public meeting to present Phase I of the Facilities Plan for Wastewater Secondary Treatment at 7:30 PM, Tuesday, December 15, 1987. A presentation of the Facilities Plan's findings and conclusions including treatment plant siting, process selection, and sludge treatment and disposal. This first phase Facilities Plan focused primarily on screening of various alternatives and resulted in a list of options to be further studied. For further information contact: Marcy Wetherbee, Environmental Planner, City Hall, 999-2931 ext. 287.
