Re: New Bedford Harbor Superfund Site  
State Enhanced Remedy

Dear Reference Librarian:

Enclosed with this letter are two copies of a CD containing the following document:  
EPA's Final Determination for the Proposed South Terminal Project. Please keep one copy as your master copy and another should be made available for public review. This CD should be added to the collection of documents you currently hold for public review in connection with the New Bedford Harbor Superfund Site.

Additional documents that comprise the final Administrative Record supporting EPA's Final Determination will be provided to you shortly.

Please call me with any questions (617) 918-1888.

Very truly yours,

*Cynthia Catri*
