RE: New Bedford Harbor State Enhanced Remedy in New Bedford South Terminal, a/k/a Confined Disposal Facility a/k/a South Terminal Marine Industrial Park Development, New Bedford, MA.
MHC #RC.48896.

Dear Mr. Owens:

Staff of the Massachusetts Historical Commission (MHC), the office of the State Historic Preservation Officer, have reviewed the information in your letter of September 28, 2012, provided by the Environmental Protection Agency (EPA) for the project referenced above.

The MHC concurs with the EPA's determination of "no historic properties affected" (36 CFR 800.4(d)(1)) conditioned on the measures proposed to be implemented as described in the EPA's letter of September 28, 2012, including the attachments, and referenced documents.

These comments are offered to assist in compliance with Section 106 of the National Historic Preservation Act of 1966 as amended (36 CFR 800). Please contact Edward L. Bell at the MHC if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Brona Simon".

Brona Simon
State Historic Preservation Officer
Executive Director
State Archaeologist
Massachusetts Historical Commission
