John & Co,

First, many thanks for agreeing to come to Boston on Friday at 1:30 PM to meet with our team on the New Bedford Marine Commerce Terminal, not only a vital economic development project for the City of New Bedford, but an essential infrastructure investment that will help launch America's offshore wind industry. In order to structure the most constructive dialogue possible, we propose the following agenda:

SDMS DocID

529029

• Introductions

• Project Overview – Bill White & Gary Davis, EEA

• Project Summary – Chet Myers, Apex Engineering

• Project Timeline – Eric Macaux, CEC

• Discussion Topics w/ NMFS:

1. Blasting
2. Pile Driving
3. Dredging
4. Shellfish
5. Channel width, length of deep draft area, expansion of CAD cell

• Next Steps

If you want modifications or additional elements addressed, please do not hesitate to let me know.

Participating on our end:

Gary Davis, EEA General Counsel

Bill White, EEA Assistant Secretary

Paul Diodati, Director, Division of Marine Fisheries

Eric Macaux, Senior Director for Strategy and Legal Affairs, MA Clean Energy Center

Jay Borkland & Chet Myers, APEX Engineering

Eric Hines, LeMessurier Consultants

Additionally, Gary received a call from Carl Dierker from EPA Region 1, who expressed an interest in attending. Hope that is okay.

Thanks again,

Bill
